CANDIDATES IN LOUISIANA GET BACK IN STRIDE

Long, Morrison And Moseley On Stump Thursday Despite Holiday

FORCES 'MIXED UP'

Morrison Accuses Governor Saying One Thing Then Denying It

NEW ORLEANS, Nov. 24.—(AP)—Louisiana's gubernatorial campaign, only [illegible] halted for the Thanksgiving [illegible], got back into stride [illegible].

Three of the candidates, Governor Earl K. Long, James H. Morrison and [illegible] Moseley, were on the stump [illegible] the holiday.

M[illegible] charged that the administration [illegible] desperation [illegible].

[illegible] forces were [illegible] Governor Earl K. Long [illegible] Lafayette three [illegible] fee from [illegible] at St. Francis [illegible].

"This Thanksgiving day," Morrison said, "[illegible] can be thankful [illegible] get a chance to get [illegible] gang of thieves on [illegible]."

Governor Long spoke at political rallies [illegible] Pleasant Hill [illegible].

[illegible] Long's administration ticket [illegible] with him and the [illegible] are Harvey Peltier [illegible] Earle Christenberry [illegible] and Francis [illegible] and L. B. Baynard [illegible].

Today the Long party is scheduled [illegible] Havres [illegible] Shreveport.

[illegible] Moseley [illegible] at Winnsboro [illegible] Governor Long [illegible] were "slot [illegible] machine candidates."

"You [illegible] are faced with two [illegible]," he said. "On the one hand [illegible] Earl Long [illegible] Y. Sanders' Sam Jones [illegible] candidates [illegible] the other [illegible]."

He [illegible] "Average Man" [illegible] state of the carpetbaggers [illegible]. He said he was [illegible] campaign [illegible].

'GOLDEN ANGEL' SCORNS KUHN IN TESTIMONY

Says She Saw 'No Fun' In Missive And Denies Returning Money

NEW YORK, Nov. 24.—(AP)—Blonde Mrs. Florence Camp, once termed "my golden angel" by Fritz Kuhn, bluntly and repeatedly contradicted the German-American bund fuehrer's testimony today when she was called as a prosecution witness at Kuhn's trial on a grand larceny charge.

Mrs. Camp testified that Kuhn urged her to divorce her husband, Charles, and to bring her furniture to New York so that they could use it after their marriage. Kuhn already was married and the father of two children.

Handed a copy of Kuhn's initial love note, in which the bund leader vowed he was "terrible" in love with her, Mrs. Camp said she saw "no fun" in the missive. Kuhn had testified that he wrote the billet doux "all in fun" on the night of a ship's party aboard the S. S. Westernland.

She contradicted Kuhn's testimony that she had given the bund official $565.76 in cash in return for Kuhn's financing the transportation of her furniture from Los Angeles to New York. Kuhn had thus accounted for part of the money which he is accused of stealing from the funds of his organization.

The "golden angel" witness, smartly dressed in a black ensemble with a bustle-backed dress, testified that Kuhn gave her a ring in August, 1938. She identified the diamond, which

10TH ANNIVERSARY TO BE OBSERVED

The tenth anniversary edition of The Monroe Morning World is now in process of preparation and will be published Sunday. It will be issued in celebration of the establishment here in 1929 of the morning paper.

Advertisers wishing representation in the edition, which will be widely distributed throughout the state, particularly northeast Louisiana, are urged to make reservation for space immediately.

Space may be reserved by communicating with the advertising department, the telephone number of which is 4800.

84 Killed In Thanksgiving Holiday Accidents

'DOOMED' BABY MAY LIVE

Death may yet be cheated of its claim on 2-year-old "Dicky" Trust, Jr., shown above with his parents, Mr. and Mrs. Richard Trust. Suffering from a rare [illegible] leukemia, the Los Angeles baby seemed doomed to die unless he received transfusion from some one who had survived the rare malady. Injections of a special [illegible] formula, however, have improved the boy's condition.

Lawyer Says Campaign Aimed At Abe Shushan

Wilkinson Contends Fair Trial Could Not Be Obtained Now

NEW ORLEANS, Nov. 24.—(AP)—Attorney Hugo Wilkinson charged today in federal court that there has been a systematic campaign conducted against Abe L. Shushan and his four codefendants indicted for alleged mail fraud.

Wilkinson, arguing on motions for continuance of the December 4 trial of Shushan, Norvin Trent Harris, Herbert W. Waguespack, Robert J. Newman and Henry J. Miller, declared:

"There has been a systematic campaign against them since July 22. I said on November 7 I believed there was a friendly working agreement between the prosecutor or some member of his staff and the newspapers or else there was a remarkable coincidence."

The attorney made his plea for the continuance on the grounds the defendants were unable to secure a fair trial at this time because of the newspaper publicity relating to the case. The five are charged with mail fraud in an Orleans levee refunding transaction involving half a million dollars.

At the start of the hearing, resumed after a holiday recess, 108 witnesses were excused after the original affidavits they signed were accepted as facts. Wilkinson added 11 more affidavits.

James H. Morrison, gubernatorial candidate, also called, agreed to make

(Continued on Second Page)

VANDENBERG HITS ECONOMY PROMISE

WASHINGTON, Nov. 24.—(AP)—Senator Vandenberg, Republican, Michigan, derided today what he called the New Deal's "seventh annual promise of federal economy."

He said reports that administration leaders were seeking to trim $1,000,000,000 off government expenditures next year appeared to be "a deathbed repentance in the presence of 1940 retribution."

"Unless it is such a repentance," he told reporters, "I shall have to be excused from taking this promise any more seriously than all of the others which have so pathetically failed."

He said he alluded to it as the "seventh annual promise" because there was an interruption last year "when they didn't even bother to promise." He said he referred to President Roosevelt's request for increased defense outlays in his budget estimate last January, when he forecast a $3,326,000,000 deficit for the current year."

RETENTION OF TRADE PACTS TO BE SOUGHT

Administration Hopes To Use As Basis For Lasting Peace

WASHINGTON, Nov. 24.—(AP)—An official statement of United States aims in world affairs indicated today that the Roosevelt administration would fight to retain its reciprocal trade program as a basis for lasting peace when the war in Europe is over.

Some Democratic senators had been hoping that the question of renewing the trade treaty act, which expires next June 12, would not be raised until after the 1940 election. They said privately that the issue might set Democrats in congress to fighting among themselves and endanger chances of a Democratic presidential victory.

And, they added, most of the existing trade agreements reached under the policy of scaling down tariffs reciprocally would not be affected by expiration of the act, because they run from one to three years.

But George S. Messersmith, assistant secretary of state, told the governors' session of the 15th New England conference at Boston yesterday that when the war has ended:

"We must help to restore trade relations on a rational basis of nondiscriminatory treatment, following the course outlined by our trade agreements program which despite

HOLDOVER JURORS AGAIN INVESTIGATE

NEW ORLEANS, Nov. 24.—(AP)—A holdover federal grand jury which has indicted in major political scandals cases, resumed its investigation of other phases of the Louisiana probe today.

It was understood the grand jury would consider evidence today but no immediate indictments were expected. The new grand jury, sworn in last Monday to consider any subject presented to it, was in recess subject to call.

The holdover group may handle only subjects presented prior to the date of continuance granted for completion of its scandal probe activities.

MOST OF DEAD LOSE LIVES IN ROAD MISHAPS

One Woman Dies After Seeing Boy Fatally Struck By Auto

FIVE HUNTERS KILLED

Four Are Victims Of Fires And One Expires By Drowning

(By Associated Press)

At least 84 persons in 25 states were killed in accidents Thursday as the nation observed the first of its two Thanksgivings.

Most of the dead lost their lives in highway disasters. Five were killed while hunting. There were four fire victims and one died by drowning.

In Cleveland Mrs. Ida O'Laughin, 59-year-old grandmother, heard the screeching of brakes, ran out on her porch and dropped dead of a heart attack when she saw a small boy lying in the street. The boy, Roger Krull, 7, struck by a motorist who did not stop, died later.

An uncle, niece and nephew in Wisconsin were killed in a traffic accident on the way home from a family dinner. In Maryland a 14-ton trailer-truck overturned on a passenger car, crushing the driver.

Ohio reported nine fatalities, eight traffic and one hunting. New York also listed nine dead.

The toll in other states: Pennsylvania and Michigan 7, Mississippi 6, Utah and Wisconsin 5, Illinois, West Virginia and Indiana 4 each, Connecticut and Virginia 3, California, Iowa, Massachusetts, Vermont and Texas 2 each, and the following one each—Georgia, Oregon, North Carolina, New Jersey, Missouri, Maryland, Rhode Island, and Montana.

CROSSING DEATHS DECLINE IN AUGUST

WASHINGTON, Nov. 24.—(AP)—Seventy-eight deaths in highway-railroad crossing accidents in August formed the smallest total for any month since August 1932, the Association of American Railroads said today. Such fatalities in the first eight months of 1939, the association added, totaled 852, a decrease of 48 from the same period last year.

DEFENSE TAX IS CONSIDERED BY PRESIDENT

Thinks Expenditures For This Purpose May Increase $500,000,000

WARM SPRINGS, Ga., Nov. 24.—(AP)—President Roosevelt disclosed today that some consideration was being given the idea of a special tax to finance expenditures for national defense which may be increased by $500,000,000 in the next fiscal year.

These defense expenditures, the president indicated at a press conference, will be in excess of $2,000,000,000 but probably not as high as $2,300,000,000. He differentiated, incidentally, between appropriations and expenditures for defense.

Questions about business and taxation led the president into a discussion of defense and its financing.

Of course, he said, the objective of the administration was to cut down all expenditures which possibly could be whittled at the present time.

Assuming that reductions can be made in the budget, that congress does not appropriate large sums beyond the budget estimates, and that tax revenues increase as they are now, the president said the result would be a reduction in this year's deficit.

JAPANESE REPORT NANNING CAPTURED

TOKYO, Nov. 24.—(AP)—Domei, Japanese news agency, reported that Japanese forces on a south China offensive aimed at severing Chungking's "backdoor" lifelines, today occupied Nanning, Kwangsi provincial capital.

The occupation, said the Domei dispatch, was completed at 2:10 p.m., 12:10 a.m., eastern standard time.

Nanning lies about 80 miles north of the point on the south China coast where a landing in force was started on November 15—blocking the route toward the central Chinese government's highway and railway supply links with French Indo-China and Great Britain.

It is a city of about 68,000 population, a treaty port under an 1897 agreement between China and Great Britain.

(Reports by way of Hongkong had told of stiff Chinese resistance while Japanese planes loosed mixed cargoes of bombs and propaganda pamphlets on the city. Two days ago the Japanese were reported to have reached the south bank of the Pearl or West river, 10 miles from Nanning.)

'LOST LEGION' FATE SOON TO BE DISCLOSED

WPA Wants To Know What Became Of 780,000 Dropped Workers

WASHINGTON, Nov. 24.—(AP)—The Works Projects administration expects to know in January what became of its "lost legion" of 780,000 long-time relief clients who were automatically dismissed on September 1.

Corrington Gill, assistant WPA commissioner, said today that a federal survey should show how many found private jobs, obtained help from relatives, went on direct local relief or returned to WPA payrolls.

The 1939 WPA act removed from the rolls persons who had received relief for 18 or more continuous months.

Gill said he did not believe that many of those discharged had been absorbed by the September upturn in private employment. The call then, he said, chiefly was for mechanics and others skilled in the steel and airplane industries, whereas 70 per cent of those dismissed from WPA were unskilled laborers.

Likewise, he added, only a comparative handful could have been reemployed by WPA. By law they had to be off the rolls 30 days before they could be recertified for relief, and then they had to wait until jobs could be found for them.

On September 6, shortly after the wholesale dismissals, WPA rolls dropped to a 1939 low of 1,166,970. By September 30, the number increased to 1,788,186. This gain of 621,216, Gill said, came entirely from a long waiting list of persons previously certified for relief.

Enrollment now has mounted to 1,930,000, or a total gain of 763,030 since September 1. This number, minus the September replacements, leaves only 141,814 new enrollees, among whom Gill said the survey would find the first of the lost legion.

Army and navy recruiting, he said, could not absorb many of those caught in the September 1 dismissals, inasmuch as the average age of all WPA workers is 39 years and those affected by the order were believed to be somewhat older.

MISS GRAHAM PRICE ELECTED BY NURSES

SHREVEPORT, La., Nov. 24.—(AP)—Miss Graham Price of Shreveport was elected president of the Louisiana Nurses' association for the coming year at the closing meeting of the association here yesterday.

Miss Anna M. Barr of New Orleans was elected first vice-president, Miss Lois Zear of Shreveport second vice-president, Miss Jane Martin of Baton Rouge, secretary, and Miss Lora Golden of Baton Rouge, treasurer.

Members of the board of directors were Miss Adrienne Mouton of Lafayette, Mrs. W. W. Hood of Shreveport and Mrs. Della Myers of Baton Rouge.

Miss Zear was elected chairman of the private duty section, Mrs. J. F. Cobb Williams of Monroe, first vice-chairman, Miss Murrell Morrison of Baton Rouge second vice-chairman and Mrs. Vivian Rinehart Hiers of New Orleans, secretary.

Mrs. Priscilla Halpert of New Orleans was reelected president of the Louisiana League of Nursing Education. Miss Mary Gillen of New Orleans was named secretary-treasurer. Both were unopposed. Sister Celestine and Miss Harriet Mather of New Orleans were elected directors of the nursing education league.

A 1940 convention city will be chosen by the directors later.

MAGNATE FEARS FOR JOB

LONG GROUP TO SPEAK ON RADIO

Candidates Will Be Heard Over Hookup From Shreveport

Governor Earl K. Long, United States Senators John H. Overton and Allen J. Ellender and the entire Long ticket which is seeking election in the January primary will speak over a radio hookup from Shreveport tonight, it was announced yesterday.

The two senators will speak in behalf of Governor Long, as they did in the recent rally here.

Tonight's meeting marks the opening of the Long ticket's campaign in northwest Louisiana. The governor and his associates will visit several other towns in that section tomorrow.

Beginning at 7:30 o'clock, the meeting will be broadcast over Radio Station KRMD. At 9 o'clock, Station KWKH will pick up the speeches and the broadcast will continue until 10:30 p.m. Voters of north Louisiana are invited to hear the addresses.

BODY OF HESSMER YOUTH IDENTIFIED

ALEXANDRIA, La., Nov. 24.—(AP)—The body of a young man found near Campti several days ago had been identified today as Purdy Juneau, 18, of Hessmer.

The youth's father, P. T. Juneau, made the identification from clothes found with the body. With a bullet hole in the back of his head, young Juneau is said to have died about November 2.

Sheriff W. M. Payne of Natchitoches parish said several days ago that he thought the youth was murdered.

Sheriff Payne said that from the size of the hole in the youth's skull he would judge that it was fired from a .38 caliber pistol.

Funeral services were held today at Hessmer.

WAR'S END BY SPRING HOPED BY PRESIDENT

Roosevelt Gives Informal Talk At Warm Springs Dinner

WARM SPRINGS, Ga., Nov. 24.—(AP)—President Roosevelt had hopes today the world would be rid of war by next spring but gave no indication he believed those hopes actually would be fulfilled.

He wanted the conflict in Europe to end, among other reasons, so he could spend the usual ten days or two weeks at the Warm Springs Infantile Paralysis foundation again next spring.

It was in an informal talk at a Thanksgiving dinner at the foundation last night that Mr. Roosevelt voiced the offhand hope that by next spring "there won't be any war."

Even if it still is going on, he added, he hoped to return, at least for a few days, to "see how Warm Springs family is getting on."

With a hint of amusement in his voice, Mr. Roosevelt reminded the foundation patients and their guests that when he left here last April he had said he would be back this fall "if we don't have a war."

"Well, we had a war," he went on. "We have a war today. Columns were written about what I meant and I meant just what I said. We have a war, but I managed to get down here this fall."

A hush swept over the 350 persons assembled in the foundation dining room, followed by a relieved mur-

BOY WINS FIGHT TO SAVE HIS LEG

KANSAS CITY, Nov. 24.—(AP)—Thanksgiving was a day for thanksgiving by Alfred Leon Miller, Jr., plucky seven-year-old farm boy recovering in a hospital from a crushed leg.

The physician, who has watched Alfred's progress since he suffered such a severe injury that amputation appeared inevitable, told him he would regain use of his leg.

Not immediately, of course, but after a series of operations he will be able to romp with his playmates.

Thanksgiving day was responsible indirectly for Albert's plight.

He and his father were mixing feed for 13,000 turkeys. Alfred's leg slipped into the feed grinder. It was an hour and 50 minutes before cutting tools and a blowtorch could release him.

The boy's smiling attitude through the frightful experience led surgeons to halt plans for an amputation as Alfred was wheeled into the operating room.

Such bravery required one final effort to save the leg.

After a month the doctor told Alfred he had won the fight.

CLAIM 22 NAZI PLANES DOWNED IN LAST 3 DAYS

Assert Only One Of Own Craft Lost During 'Dog-Fights'

ALSO SINKING SUBS

Success In Sending Three Under-Vessels Down Described

LONDON, Nov. 24.—(AP)—Mines off England's east coast sank another British vessel today, the 8,886-ton steamer Mangalore, as British naval experts struggled to check shipping losses.

German planes flew over the Shetland islands again, causing two air raid warnings, one of 90 minutes and the other of 42. These islands, off the north coast of Scotland, were bombed Wednesday.

In addition to the Mangalore, whose crew of 77 was saved, the sinking of the 5,133-ton Netherlands tanker Sliedrecht by a submarine a week ago was disclosed today when five survivors were landed at a northwest coast port. Twenty-six crewmen were missing.

(The Mangalore was the 83rd British vessel, naval and merchant, lost since the start of the war.)

The admiralty maintained silence on the German assertion that the new, 10,000-ton British cruiser Belfast had been torpedoed and badly damaged by a submarine in the Firth of Forth, Scotland.

The authoritative British press association said Britain's order in council calling for seizure of all German exports, might be put into effect next Tuesday.

PARIS, Nov. 24.—(AP)—The allies reported today continuing triumphs in aerial combat on the western front as the war turned skyward in a manner reminiscent of the dog-fights and flying circuses of World war days.

In contrast with the grim, waiting game on the ground, the French said that their aviators, in American Curtiss and French Morane-Saulnier planes, had shot down eleven German aircraft in the past three days.

Reports here also credited British fliers with destroying nine German planes in two days.

(Germany confirmed the increase in aerial warfare but disagreed on the results. Official news agency reports in Berlin declared that German fighters had shot down five enemy planes with only one German loss in six separate encounters over northwestern France in the past two days.)

The French reported they shot down two German planes yesterday, six Wednesday and three Tuesday with only one of their own planes lost.

The British brought down seven Germans yesterday and two Wednesday without loss, correspondents with the royal air force said.

(The British were using sharp-nosed Hawker Hurricanes, which are equipped with eight machine guns in

ANOTHER LOST BOY IS FOUND

Four-Year-Old Tot Located After Search Of 10 Hours

PHOENIX, Ariz., Nov. 24.—(AP)—Four-year-old Dale Smith, the second boy to be lost in the sparsely populated Arizona country this month, was found unharmed early today, 10 hours after he wandered onto the desert.

He was separated from his father, Kermit C. Smith, WPA timekeeper, as he attempted to follow him on a wood-gathering expedition.

While a posse was hunting for Dale, seven-year-old Bruce Crozier, who wandered cold and hungry for seven days and six nights in a northern Arizona forest, gravely advised a group of business men not to get lost because "it isn't any fun."

Bruce received a hero's greeting as he arrived with his parents, Mr. and Mrs. R. E. Crozier, and his 11-year-old brother, Bobby, as the guest of W. Roy Wayland, Phoenix banker.

He was far more enthralled, however, by the cowboy hat, red and black plaid shirt, chaps and toy pistol given him by his host.

With enthusiasm undampened by his brother's comment that he looked like a "drug store cowboy," Bruce sat with dignity in Wayland's office chair that all but swallowed him.

"I like to shake hands with people,"

He reminisced about Warm Springs and the times when he first came here 15 years ago. And he talked of the future of the foundation.

A discovery has been made at the institution that human relationships are related to science and medicine, Mr. Roosevelt asserted, adding:

"That thing that we here call the spirit of Warm Springs has, I think, developed into a major factor in medical science itself."

There is something mechanical about some of the best modern hospitals, the president said. But while Warm Springs foundation is a "mechanically perfect place," he said there was about it in addition a "general feeling that we are all part of a family."

Another swim in the foundation pool, a press conference, and the dedication of a community center built by WPA for Warm Springs village were on the presidential program for today. White House officials said no callers were expected.

seemed without distress from gas bloating and attacks of indigestion. Then such miserable aches and pains began developing in my joints and muscles and I became so stiff and sore I could hardly get around. For seventeen months my housework was totally impossible. Then I began Gly-Cas and it gave immediate action in my case.

"It is wonderful what a single medicine like Gly-Cas can do," continued Mrs. Scott. "Those dreadful attacks of indigestion, gas and bloating have practically disappeared and I am able to eat and enjoy the foods I want without distress afterwards. This has been made possible by the regular elimination of clogged intestinal impurities. The swelling, aches and pains have vanished from joints and muscles and I am getting around with ease now. I have so much more strength and energy and feel so much better I really enjoy doing my housework now. Gly-Cas is really deserving of all the praise given it."

Gly-Cas is sold by Phoenix Drug company, 318 DeSiard street, this city, and by the leading druggists in surrounding towns. —Adv.

METROPOLITAN OPERA CONDUCTOR EXPIRES

NEW YORK, Nov. 24.—(AP)—Artur Bodansky, for 24 years conductor of the Metropolitan Opera association, died yesterday at 61.

The slender, be-spectacled conductor, a foremost interpreter of Wagnerian music, died in a hospital after a heart attack. He was a native of Vienna.

A severe case of arthritis that developed after he had returned here from a summer vacation in Vermont had forced Bodansky to cancel his plans to begin his 25th year with the Metropolitan, which opens its opera season next Monday night.

Private funeral services will be held today. His widow and a daughter, Mrs. William Muschenheim, survive.

Known as the Best . . . the Best Known
With Modern Manhattanized Collar

The most successful shirt in D. Masur & Sons' history

10 Reasons Why You Should Wear the Manhattanized Collar

1—Will not wrinkle or wilt, pucker, or curl up at ends. Points lie flat.

2—Non-wrinkle properties unaffected by perspiration, severest wear or hardest laundering.

3—Looks like a starched collar—comfortable as a soft collar—firm without being stiff.

4—Will never discolor the shirt fabric. Will not develop a "saw edge."

5—Keeps its freshly ironed look all day and every day you wear it.

6—Assures you that original Style Lines of Collar will outlive shirt fabric.

7—Easy to wash at home or by any laundry.

8—Laundry-Tested and Approved by the American Institute of Laundering.

9—Guaranteed not to crack or blister.

10—Non-wrinkle properties and the Style Lines are permanent.

$2.00 up

If any Manhattan shirt ever shrinks below the indicated size, we will give you a new shirt.

10 FLOATS ARE NOW COMPLETE

Plans Proceeding For Pre-Christmas Fiesta Next Week

Ten of the 20 floats that are to be entered in the pre-Christmas fiesta that will be held under the auspices of the Chamber of Commerce, Saturday, December 2 at 10:30 a.m., have been completed and are unusually elaborate. They were constructed by H. M. Phipps, of Memphis, Tenn., professional float builder, together with aid provided by the NYA.

Fourteen bands will play, representing high schools and colleges of northeast Louisiana.

The most elaborate float will be that of Santa Claus, reindeers and all, and there will be four other gorgeous floats that will depict the spirit of Christmas. The remainder of the floats will represent the high schools and colleges of this area. The school bands will precede the respective floats bearing queens and attendants.

The election of queens and court attendants by each educational institution is of interest to all students. They are to be nominated and voted on by secret ballot. The girl who receives the highest number of votes will be acclaimed queen. The three who receive next highest votes will be attendants of the queen.

In the fiesta special interest will attach to the fact that two bands will be attired in their new uniforms. The Neville High school band has just been equipped with handsome uniforms of black and gold. Northeast Junior college, which has a band for the first time recently organized, will be represented. The uniforms are purple and gold and particularly ornate.

Pictures of the queens will appear in the News-Star and Morning World and they will participate in a radio broadcast December 2 at 1:15 p.m.

The day's events will be climaxed by a football game at Brown stadium, Northeast Junior college campus, between Neville and Jonesboro-Hodge in the afternoon of December 2. A mass band concert is planned and the queens will be formally presented before the [illegible].

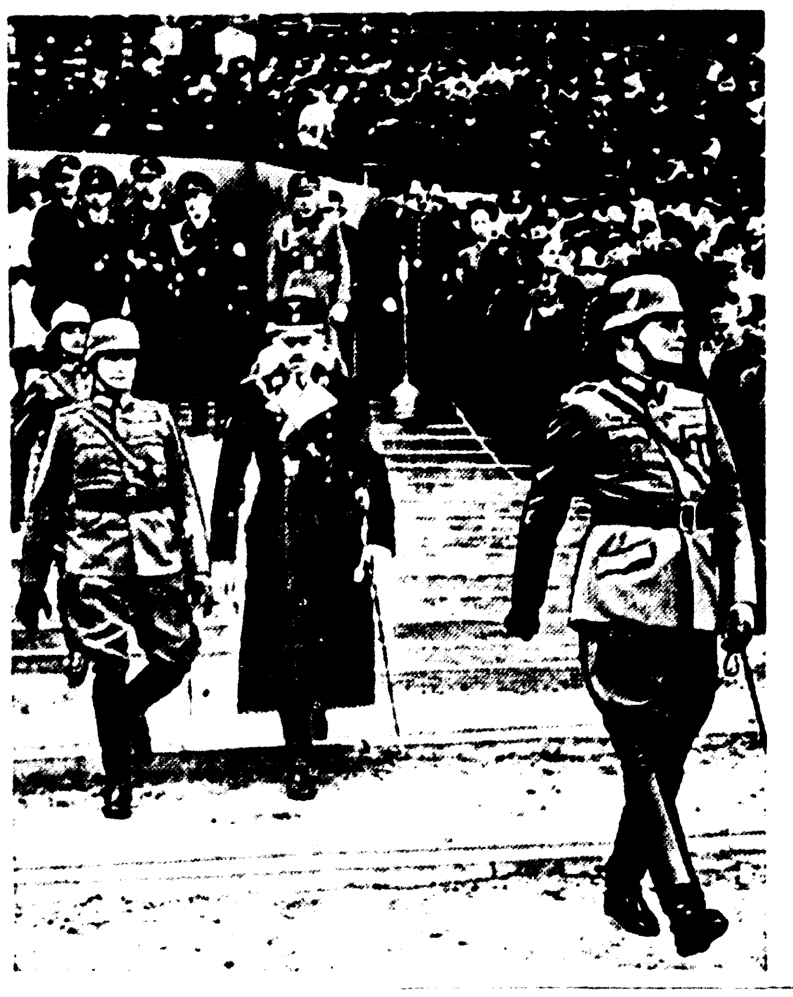
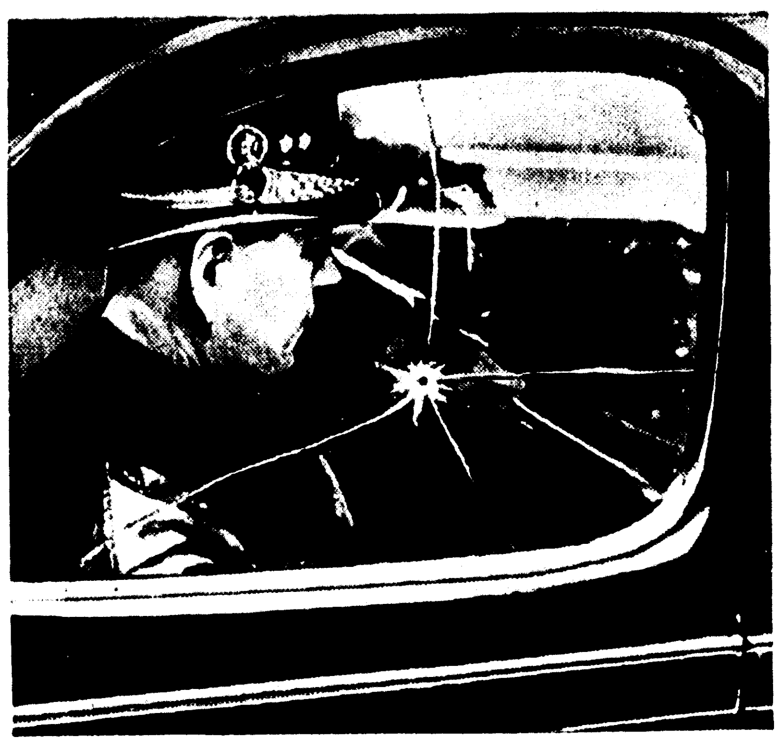
AS NAZIS COPE WITH UNREST IN PRAGUE





The bullet-shattered window of this Prague policeman's car (above) is grim evidence of terror that reigned in the former Czech capital's streets during recent student riots. At left, Nazi troops enforced strict martial law in Prague under command of General Baron von Schwedler (right foreground). He is pictured with his bodyguard, the chief of which walks behind him, wearing long black coat of the black guards.

100 PER CENT RED CROSS FIRMS GAIN

A total to date of 11 firms here have enrollment of all employes, entitling them to be rated as 100 per cent in the annual Red Cross campaign for members, announced Rev. R. T. Watson, publicity chairman.

The firms are as follows: Louisiana Paper company, Hotel Alvis, Standard Office Supply company, Ouachita Cigar and Tobacco company, Field's Spatafora pharmacy, F. Strauss and Son, Alice Henry Hat shop, Superior Lumber company, Lida Benton school (teachers), Motors Securities.

Workers from rural areas also are reporting good success, stated Mrs. W. C. Holstein, executive secretary of the local Red Cross chapter. West Monroe, directed by Dr. C. K. Smith, is making good progress but all workers are urged to complete their reports at the earliest time as the campaign closes next week.

BESSIE A. WILLIS, NEGRO WOMAN, DIES

Bessie A. Willis, 62, well known and respected negro woman, died at her home on the Dixie-Overland highway near West Monroe Tuesday at 7:45 p. m. The funeral was held at Trenton Baptist church, West Monroe, Friday at 2 p. m. Rev. M. J. Foster officiated.

She was married to the late Morris Willis, who for years was employed by the Southern Grocer company and was regarded as one of the most faithful of employes. Seven of the ten children born of this marriage are living today. One of these, B. A. Willis, is well known as operator of the Sunshine Dairy.

All of the family of children were said to have been trained to do three things: To work, to pray and to give honest service to their white employers.

The Willis family members were employed for years in the Standifer and Flournoy homes and were regarded as industrious, dependable and a credit to their race.

KENNEDY TO MAKE JOURNEY TO U. S.

LONDON, Nov. 24.—(AP)—United States Ambassador Joseph P. Kennedy will leave for home shortly to celebrate Christmas with his family and to consult with the state department.

The nature of the consultation was not disclosed in the embassy's announcement yesterday that he had been called home by the state department for the talks. He planned to leave Lisbon, Portugal, December 3 on a clipper plane.

(A member of President Roosevelt's secretarial staff would say only that Kennedy had been granted a leave of absence.

(In Brussels, it was announced that Ambassador Joseph E. Davies would sail for the United States December 3 aboard the Italian liner Rex for Washington consultations on Belgian trade negotiations.)

◆

FIVE-POINT BUCK WRECKS FURNITURE

LATROBE, Pa., Nov. 24.—(AP)—A five-point buck that delivered itself for a Thanksgiving repast shattered the city's holiday calm and cost a furniture store about $1,000.

Startled residents rubbed their eyes as the buck wandered into the business section from mountain forests and dived through the Miller and Bigg store's plate glass window.

Patrolman Omar Welsbons fired twice at the deer as it rampaged through the store aisles. The shots only frightened the animal more. He fled to the street and into a department store where a Christmas display was wrecked.

Druggist Thomas Miller finally brought the invader down with a rifle, providing Latrobe hospital patients with a venison dinner.

BROADENS COVERAGE OF WAGE-HOUR LAW

WASHINGTON, Nov. 24.—(AP)—The wage-hour administration broadened the coverage of the wage-hour law today to include workers producing goods used entirely within a state to produce other goods for interstate shipment.

The administration's announcement said the ruling would apply particularly to workers who make tools and dies sold to another manufacturer in the same state who uses them to produce goods for interstate commerce.

At the same time wage-hour experts decided they could not express an opinion as to whether the act applied to workers in a small mine which sold its coal within the state to a local manufacturer producing goods for interstate commerce.

RUDOLPH GANZ TO COME HERE

Famed Musician To Give Recital At Northeast Junior College

Rudolph Ganz, famous pianist, composer and conductor, will give a piano recital in Northeast Junior college auditorium, January 29, under the auspices of the Musical Coterie of Monroe.

Mr. Ganz, who is president of Chicago Musical college, will also hold a master class in the Fine Arts building on the college campus January 30, at which time a number of talented students will play and receive criticism. Mrs. Ganz will also give a few private [illegible] here.

A Bit Of Treacle

[illegible]

Name For 'Journalists'

A committee of the [illegible] Education for Journalism [illegible] of American journalism schools [illegible] tention of raising the standards in this [illegible] cation. The committee comprises [illegible] publishers' associations but also [illegible] utives.

This brings up again the old question [illegible] a journalist become a newspaperman or vice versa. In this country reporters are usually embarrassed and sometimes insulted when someone refers to them as journalists. In England, even the obituary writer is a journalist, he will have you know.

Someone once defined an American journalist as a young man "two weeks out of Columbia." But today even the more advanced journalism students are fighting shy of the term. Maybe this new committee could perform no greater service to the profession as a whole than by starting a movement to standardize the name.

Find Encouragement

In any event the news would appear to be on the pro-Roosevelt side [illegible] that certain Democratic sources have found even more encouragement at the recent local elections.

The general results in Philadelphia were discouraging to the Democrats but they saw streaks of better hope for them in other spots. Pittsburgh and the surrounding [illegible] on the Democratic side. They were especially pleased that young Boies Penrose could not win a house seat in Philadelphia in spite of bearing the name of the famous Republican party power-house of a generation ago.

On the other hand, they were not so cheered by the recovery of Tammany in New York. To Democrats outside of New York Tammany is a bitter cross the party must bear. Already they can hear Republican crooning 1940 melodies in which the "terrible taint of Tammany" is the major theme.

CONSTRUCTION POLICY IS HIT

Outside Labor, Negroes, Said To Be Preferred At Charity Hospital

A resolution addressed to Governor Earl K. Long and to the Louisiana state hospital board asks that certain conditions said to exist in connection with the construction of the Monroe Charity hospital be corrected.

It is stated in the resolution that despite the fact that many are walking the streets in Monroe seeking work, that out of the parish and out of the state men, and negroes are being given preference among those hired.

The contract was awarded by Governor Richard W. Leche as one of his last official acts before resigning office, the award going to the contracting firm of Caldwell Brothers and Hart. The resolution follows:

Monroe, La.
November 22, 1939

"Whereas the state of Louisiana by and through the department of welfare is erecting a Charity hospital in the city of Monroe.

"Whereas the project is being constructed and financed with the taxpayers [illegible]

"Whereas many of the citizens of the Twin Cities of Monroe and West Monroe [illegible] competent and qualified are [illegible] and walking the streets [illegible] employment [illegible]

"Whereas [illegible] firm constructing [illegible] is employing [illegible] of the parish and [illegible] giving preference [illegible] negroes.

"Therefore be it resolved by the citizens [illegible] that this matter be called to the attention of the state hospital board and the officers thereof, of the Honorable Earl K. Long, governor of the state of Louisiana and the agency letting said contract or any other state official connected therewith, and that they be respectfully requested to remedy this condition at once.

ASSOCIATED PRESS WORK TO BE SHOWN

NEW YORK, Nov. 24.—(AP)—The Associated Press is portrayed in its role as the world's oldest and greatest news gathering organization in the March of Time's year-end news review film released today.

The film is based on the year's major news events and devotes considerable space to scenes in the Associated Press general headquarters as background for the news sequences.

Operation of the wirephoto and cable-photo equipment, with appropriate dialogue, appears most prominent in the sequences devoted to the Associated Press.

Others include closeups of General Manager Kent Cooper, Executive News Editor Byron Price and Foreign News Editor John Evans.

Operation of teletype printer equipment with news wire operators and copy boys, the London cable printer and the photo library is also shown.

Other portions of the film show an exterior view of the new building, incoming cable dispatches and traffic department and photographic darkroom employes at work.

[illegible] appreciates a Special fruit cake as a gift for Christmas. There is no other gift except money that is so universally acceptable.—Adv.

DR. C. H. MOSELY IS BACK FROM MEMPHIS

Dr. C. H. Mosely has just returned from attending the meeting of the Southern Medical association in Memphis, Tenn., which was largely attended.

The two-day program was featured by an address by Dr. Rock Sleyster, of Wautosa, Wis., president of the American Medical association, who discussed: "What Price Depression."

He drew lessons of the effect on medical men and on the public of the recent depression. The address was a careful study of mass psychology and was regarded as highly helpful by his hearers.

The address on "What Price Depression," stressed the lack of home life and proper family association as one basic cause of the woes that have followed in the wake of the economic upset experienced. Then he stressed the fact that men and women got to where they no longer wanted to work. When they get that way and seek to have the government support them, they quickly lose their liberty. The natural outcome is the rising to power, under such conditions, of a dictator.

The speaker assailed bad literature, and bad movies as causes that tear down rather than upbuild. He urged that each do his part to maintain the degree of liberty that we have enjoyed in the past and which is threatened today largely by our own negligence, he said.

◆

MISSIONARY FROM INDIA MAKES TALK

GRAYSON, La., Nov. 24.—(Special)—Dr. Edith Lacey, Methodist medical missionary in Duhlia, India, in the Bombay presidency, spoke at the Methodist social hall before members of the missionary society and their guests. Dr. Lacey has had charge of the Suvarta hospital in Duhlia for 12 years, and she told of the work being done in the hospital, church, orphanage and schools supported there by Methodist churches.

Dr. Lacey spoke several sentences and showed specimens of writing and printing in the Marathi language, the principal one used in the part of India where she lives. She then described a typical home of a native teacher and showed money, jewelry, make-up, fans, costumes of the Hindu and Mohammedan women and other articles brought with her from India.

BIRTHS

[illegible]

Winnsboro

[illegible]

... and ... party at the Princess theater to celebrate their seventh birthday.

Miss Marie Scott of Tallulah and Mrs. Louis M... of Baton Rouge arrived in Winnsboro to spend the Thanksgiving holidays with Mr. and Mrs. E. S. Lowry.

Miss Eleanor Kincaid, student at Louisiana Normal, spent a week-end in her home in Winnsboro.

Mrs. Laura Bell of Monroe spent a day with her niece, Mrs. R. E. Applewhite.

Mrs. Lucy Rhea of Lonsdale, Ky., has been a recent visitor in the home of Mr. and Mrs. Charles Tillman.

Mrs. A. J. Funderburk spent a week-end in Jena with her sister, Mrs. Owen Watson.

Mrs. Ella Reams of Little Rock, Ark., is visiting friends in Winnsboro.

Miss Abbie Laurie McBride spent a week-end in Monroe as the guest of Miss Mary Elizabeth Thompson.

Mr. and Mrs. C. R. Adams had as their guests Gilbert Slaughter, Rapp McBurnie, Mrs. R. W. McBurnie, Misses Zen... and Marguerite McBurnie of Baton Rouge.

Paul Price, student at Centenary college, is spending the Thanksgiving holidays with his parents, Mr. and Mrs. A. L. Price.

Among the oldest of dyeing processes known is that used in French West Africa. Indigo leaves, charcoal and water are placed in a 30-foot pit. The cloth to be dyed is then placed in the solution and left from one to 10 days.

The Creeping Man

by Frances Shelley Wees

Chapter 14

Man With Crutches

WHEN Michael asked what ... [illegible]

"At the present moment?" Michael inquired.

The interne stared.

"Are they all in one room at the present moment?"

"More or less. Yes, I suppose you might say they are."

"May I accompany you to the door of that room and ask you to deliver a message for me?"

The interne eyed him thoughtfully. "It sounds damn funny to me," he commented. "You want a man and all you know about him is that he has sandy hair and wears crutches."

"It's damn funny," Michael agreed. "I wish I had time to explain all the details to you. You'd be interested."

"Well, maybe I haven't got time either. We're under-staffed. Come on, then." Michael followed him ... a polished floor down a long ... toward a glass door ... muffled sounds of ... and wisps of smoke. ... opened the door open. ... pairs of eyes looked up at ...

[illegible]

'I'm Not Coming'

[illegible]

'Shiverin' With Fright'

[illegible]

... one's from the Veterans' Hospital. Thursday is their day off."

"And he won't say what he wants?"

"No. Only Murchison."

"Well, Judge!" said Michael.

Bill pressed the tip of his cigarette against the side of the dust bin and threw it in. Michael copied him.

"Afraid I've been talkin' an awful lot," he apologized. "I work here alone a lot, with this fussy stuff. I'd ... and I get a talkin' streak whenever any ... listen to me."

• • •

"Crutches!" repeated the young interne in the hallway. "Crutches! There's a whole room full of leg cases."

[illegible]

... "we might as well ..."

... waiting room, Michael ... "Why ... of Murchison's?" he ...

... at him and swallowed. He ... felt for something ... but made no ...

"Why aren't you coming?" Michael ... again.

The ... man broke in. "See here," he said, "it seems to me you ... about this business. Did that Murchison send you here?"

"Not exactly."

"Do you know what he wanted of ... here, or not?"

"I have merely a glimmering of an idea."

"Then what the hell are you here for?"

"Information," Michael said ...

"What are you, anyway? A friend of ... of Murchison's?"

"I have never met the gentleman. I am a lawyer."

... gasped. "A lawyer!" he ... "then maybe ..."

"Exactly," Michael agreed with him. "... will you tell?"

Continued tomorrow.

UNIFIED WATERWAYS MEETING IS PLANNED

ALEXANDRIA, La., Nov. 21. (AP)—An open hearing in connection with a proposed unified waterways program involving rivers in Louisiana, Texas, Oklahoma, Arkansas and Mississippi will be held by the Mississippi river commission here December 5.

The proposed program, sponsored by the Louisiana flood control and water conservation commission, was endorsed at a recent meeting of the Alexandria Chamber of Commerce board of directors.

Fred Voorhies, secretary of the Louisiana commission, in a letter to Albert J. Stone, general manager of the chamber, here, said he expected an attendance of 500 at the meeting. The Mississippi river commission is composed of United States army engineers.

The proposed program would result in improved drainage and irrigation, would reduce the possibility of flood losses and promote navigation on the rivers involved.

WATER TRAFFIC FACT-FINDING DRIVE OPENS

New President Of Inland Waterways Corporation Will Make Study

WASHINGTON, Nov. 24.—(AP)—Chester Thompson, new president of the Inland Waterways corporation, has embarked upon a new campaign of fact-finding in water transportation—after studying it nearly all his life.

Thompson is now inspecting properties and personnel of the corporation, the government's huge river barge enterprise. Before leaving he said he had lived on the Mississippi all his life, studied water transportation problems nearly all that time, done important business with the corporation he now heads, but still had plenty to learn.

"Frankly, I have no intimate knowledge of this new job," said the 46-year-old ex-congressman from Rock Island, Ill. "[illegible] be sure that I intend to learn all about it and as quickly as possible.

"I do remember the old packet boats on the Mississippi, and the log rafts when I was a boy," he continued. "I saw the river commerce flourish and I saw it on the wane; later I saw it revived.

"I did some business with the Inland Waterways corporation myself, when I was mayor of Rock Island, from 1927 to 1933. The city constructed the most modern terminal on the upper Mississippi, and leased it to the corporation. As mayor, I handled the negotiations."

Thompson was a familiar figure at Mississippi River Valley association meetings during his career as mayor and three terms as congressman. After he was defeated in the 1938 congressional elections he became identified with the "committee for revision of the bituminous coal act" in Washington.

The Illinoisan is tall and heavy-set, with a boyish countenance and a pleasantly brisk manner. His views on water transportation in general:

"I believe that there is a place for low-cost water transportation in co-ordination with other forms of transportation. The corporation was created by congress with this in mind. I intend to see that the intent of congress is carried out."

Ham Is Fine Actor In Kitchen Repertoires

Fills Welcome Role In Meals From Morn Until Midnight

By Louise Bennett Weaver
(Associated Press Feature Service Writer)

Ham, flavorful and tender, long has been an all-America favorite. This delicious meat can be the cornerstone of any meal—from breakfast to midnight snack.

The homemaker who has a cooked ham in reserve in the refrigerator is fortified against any meal emergency.

CAPE COD BAKED HAM

- 1 smoked ham, about 8 pounds
- 1 pound fresh cranberries
- 1 spice bag*
- 2 peeled onions
- 1 cup maple syrup
- Whole cloves

Soak ham over night. Cover with fresh water. Add half the cranberries, spice bag and onions and cook slowly until tender. (About 3 hours.) Allow to cool in water, if possible. Remove ham, cut off outside skin. Score fat by cutting lines to form triangles. Place a whole clove in the center of each triangle. Cover with cranberry maple sauce. Make sauce by cooking the remaining cranberries with maple syrup until all the skins pop open. Then put sauce through a sieve. Bake ham in hot oven, 400 F., to glaze top. (About 45 minutes.)

*To make spice bag, tie 2 sprigs parsley, 4 whole cloves, 1 bay leaf and pinch of leaf thyme in small square of cheesecloth.

This is baked ham, Cape cod style, accompanied by a marshmallow-topped sweet potato pudding. Add hot biscuits and hot coffee and you've got a hearty winter dinner.

And now the market provides pre-cooked (partially cooked) ham, thus saving home preparation time. Some of them are labeled with cooking instructions.

• • •

Some hams should be soaked before cooking, mild partially cooked hams need none, so it's best to buy from a reliable dealer who will tell you what kind you're getting. A strongly cured ham should be well scrubbed, covered with cold water and soaked over night. Home-cured hams need 24 hours soaking.

Select a ham that has a moderately short shank and does not have too much fat. It's a good idea to cover ham with waxed paper and store it in the refrigerator until you're ready to cook it. And you should keep it covered with waxed paper after it is cooked, too.

If your family is not large enough to eat a whole ham, buy half a one. Apply the same cooking methods as for a whole one.

• • •

Ham, like other pork dishes, needs long, slow cooking. So for baked ham, scrub it, wipe it dry and set it, rind up, on a rack in an open pan. Bake slowly (250 degrees) uncovered and without water until the ham is tender, allowing about 30 minutes to the pound. For half a ham, allow 45 minutes to the pound if you have the shank end, 55 minutes to the pound if it's the butt.

To keep the ham moist during this long cooking period, baste it every 20 minutes with fruit juices, cider or grape juice. Spiced vinegar left from fruit or pickles makes a delicious basting liquid. A good fruit blend consists of equal parts of orange, lemon and pineapple juice.

A partially cooked ham will require less baking time, so follow the instructions which come with them.

• • •

Most baked hams should be dressed up a little before they are taken to the table. Thirty minutes before a ham is done, remove the rind and part of the fat into diamond, square or other shapes. Center square with whole cloves or with small piece of fruit anchored on with wood picks. Cover with brown sugar and a little mixed spice. Baste every 10 minutes. This crusty, fruity top does lots for the ham flavor.

Apricots, pears, peaches or pineapple are good to use for dressing up a ham. Or fruit sauces—cranberry, apple, plum or grape—give an interesting covering. Any thick fruit jelly is delicious.

• • •

Here's a method that requires less baking time: Soak your ham one hour in water to cover. Drain, cover again with cold water and slowly bring to the boiling point. Add some seasoning—two bay leaves, four celery leaves, eight whole cloves, two slices of onion and four peppercorns—cover tightly and simmer two hours, until the ham is a little tender. Finish the cooking in the oven.

For boiled ham, cook in water until tender. Cool the ham in the stock, then lift it out carefully and pull off the rind. The stock is ready for that delicious bean soup.

STUDENTS ISSUING OWN DIRECTORY

The second annual student directory, prepared for Northeast Junior college by the Commerce club, has just been distributed the past week. Its preparation was under the direction of Roy Colter, president of the club.

This booklet contains names, addresses and telephone numbers of the faculty, staff and students and is such as to fill a need for constant reference. The accumulation and arrangement of much detailed information is such as to have required considerable time and pains.

Those who had part in the preparation of the directory were Nora Brake-field, George Fisher, [illegible] chess, La Verne Larsen, [illegible] sen, Corinne McWhorter and the advertising committee that comprised Blanche Hair and Fred Hudson.

A second publication sponsored by the Commerce club is the monthly Bulletin which is also in pamphlet form. It includes news, personality notes, and humor columns. The first issue for the present semester appeared last Monday.

James T. Johnson and Alvin E. Pitts, instructors in the college's department of commerce, are sponsors of the Commerce club.

BRITAIN WILL COMBAT MINES

Naval Experts Shape Methods For Coping With Sea Weapons

LONDON, Nov. 24.—(AP)—British naval experts shaped methods today to combat mines which are taking a [illegible] toll of merchant shipping along the [illegible] east coast.

[illegible] apprehensively watching the [illegible] ships grow, wondered [illegible] the weapon which Germany [illegible] hinted she possesses might [illegible] entered the war at sea.

[illegible] neutral vessels have been [illegible] by German submarines [illegible].

The British press charges Germany [illegible] magnetic high explosive [illegible] east coast shipping lanes with minelaying airplanes and submarines.

The admiralty made no pronouncement on reported eye-witness stories [illegible] said they saw dark [illegible] in the Thames estuary [illegible] from German planes [illegible] night.

Naval experts, however, said the [illegible] came from lightweight, high explosive mines dropped on parachutes.

They said airplanes could sow the mines in shallow water where submarines could not navigate but that they considered the aerial minelayers easier to sight and attack than those beneath the sea.

Naval authorities asserted the admiralty was profiting by its experience in combatting mines during the World war. They said it was aware of the reported new devices and of methods of coping with them.

One indicated method was through development of a new minesweeping technique possibly with wooden minesweepers or vessels insulated against magnetic mines. Another was through intensified air and sea patrols against enemy minelayers.

Disclosure last night of two more sinkings raised the additions for yesterday alone to eight. One was the [illegible]-ton British minesweeper Aragonite which the admiralty said struck a mine Wednesday.

The other was the 971-ton London steamer Lowland which, it was disclosed, sank in the North sea with nine men missing and one dead. The cause of the sinking was not given.

◆

TANKER SINKING REVEALED

LONDON, Nov. 24.—(AP)—The sinking of the 5,133-ton Netherlands tanker Sliedrecht by a submarine was disclosed today with the landing of five survivors in a northwest coast port. The five were seven and one-half days in an open boat before being rescued by a trawler.

INFORMATION GIVEN FOR COTTON LOANS

Managers of [illegible] warehouses [illegible] which may be approved for the 1939 cotton loan have been [illegible] how to forward samples [illegible] for loan purposes [illegible] of the United States board of [illegible] for classing [illegible].

[illegible] F. G. Lanier [illegible] announcement made Friday.

'RED' MEREDITH FATALLY HURT

Former Columbia Man Succumbs From Injuries In Texas

SWEETWATER, Tex., Nov. 24.—(AP)—M. E. (Red) Meredith, well known rancher and cattle buyer, died in a hospital here Thursday night from injuries received a few hours previous when dragged by a horse for 260 yards in a pasture. He suffered a broken [illegible], brain concussion and chest injuries.

Meredith was riding with a friend [illegible]. He was lost from view of his friend for several minutes and [illegible] he had fallen from [illegible]. His foot was entangled [illegible] the frightened [illegible] stopped. Meredith had been almost completely stripped of his clothes. He died without again being conscious.

Meredith's father resides in Columbia, La., and word from him was being awaited this noon before plans for the funeral can be completed. Meredith was unmarried, was a member of the [illegible] post here of the V. F. W. and served as a private in Company E of the 141st infantry, 36th division, and later was assigned to the regimental message center, serving as a dispatch motorcycle rider with the A. E. F.

WORTHY NEGROES OF MONROE GIVEN FEAST

Aged negroes and children who had no other means of securing a Thanksgiving dinner were cared for at the Colored Welfare mission, in the Miller-Roy building on DeSiard street, Thursday noon. A bounteous meal was served to about 70 persons and 15 dinners were sent out to persons unable to attend.

Prayers of thankfulness and songs added to the interest of the meal served. Prayers were led by Rev. M. M. McCord, and Adjutant Glenn Washburn of the Salvation Army also talked to the people. The dinner was prepared by Joe Roberson.

"The occasion was a great success, and on behalf of those who were afforded such a wonderful meal and generally good time I wish to thank all who made this a possibility," stated I. Marcus Mims, president of the Colored Welfare mission.

Lumberjacks Top Panthers For Class B Championship

DEMONS BEAT TEACHERS 7-0

State Normal Punches Over Touchdown In Final Period For Win

HATTIESBURG, Miss., Nov. 24—(AP)—Louisiana Normal's powerful Demons kept their 1939 records unblemished Thursday and took a stronger hold on the S. I. A. A. conference championship by defeating a stubborn Mississippi Teachers team, 7 to 0.

Normal now boasts five conference victories against no defeats or ties. Victims include Centenary, Louisiana college, Louisiana Tech, Delta State Teachers and Murray. Out of the conference the Demons beat East Texas Teachers and Southeastern Louisiana.

Clarks Eleven Ekes Out 14-13 Victory Over Lake Providence

TALLULAH, La., Nov. 24.—(Special)—The Lumberjacks of Clarks High school nosed out the Lake Providence Panthers, 14-13, here Thursday afternoon before 1,500 fans to win the Class B football championship of northeast Louisiana.

Although the Lumberjacks as a whole played great ball, they owed their victory principally to the work of Willie Perkins, 190-pound tackle, who added both points after touchdowns to provide the margin of victory and also played a whale of a defensive game. Observers at the game predicted Perkins as a sure bet to make the all-district team and a good candidate for the all-state eleven.

The game at the half was a 7-and-7 tie and the battle was not decided until the fourth quarter.

Lloyd Carroll, Clarks halfback, took the opening kickoff and was downed on his own 40. The Lumberjacks, with Ernest Meredith sparking the offense, moved on five successive plays to the Lake Providence eight, and Meredith crashed through the middle of the line for the first touchdown. Perkins kicked perfectly for the point.

The Panthers [illegible] Clarks' [illegible] was ripped through the Jacks' line [illegible] eight-yard line [illegible] Leo Leavy [illegible] the score.

Officials: McKenzie (Mississippi), referee; Herman (Mississippi college), umpire; Massey (La. Tech), head linesman, and Turner (La. Normal), field judge.

PINE BLUFF-BROOKLYN FRANCHISE DISSOLVED

PINE BLUFF, Ark., Nov. 24—(AP)—The Pine Bluff baseball club of the Cotton States league is looking for a new "angel."

The Brooklyn Dodgers, who took a $23,000 loss operating the club as a farm this year, notified the club management Thursday the Brooklyn-Pine Bluff franchise had been dissolved by "mutual consent."

Local fans had expressed vigorous dissatisfaction with Brooklyn's operating methods, particularly frequent player changes.

Officials said the club would have to build a complete new team next year, as it owned no players itself. Negotiations will be opened immediately with other major league clubs for a new hookup.

JEFFERSON, DAVIDSON BATTLE TO 6-6 DRAW

ST. JOSEPH, La., Nov. 24—(Special)—Jefferson military college and Davidson High school battled to a 6-6 tie here Thursday afternoon in a Thanksgiving day game. First downs favored Davidson, 14 to 12.

Davidson scored in the first five minutes after marching 72 yards, with Kirkpatrick plunging for the score. Jefferson knotted the count in the second quarter after a Davidson punt went out of bounds on the local 32-yard line. Peters broke through the line from the five for the score.

BOLTON BEATS LIONS' ELEVEN BY 7-0 SCORE

Lone Score Of Closing Game For Locals Comes In Third Quarter

The Bolton High school Bears of Alexandria ended their season with a 7-to-0 triumph over a hard-fighting band of Ouachita Parish High school Lions here yesterday afternoon before a large Thanksgiving crowd at Brown field. It was also the season final for Ouachita.

The less favored Lions made it a battle all the way and completely out-played the invaders during the first half and the last quarter, but the Bruins, who packed all their offensive power into one quarter, the third, pushed over their touchdown in that period to win.

"Sonny" Walker, playing his last game at fullback for the visitors, scored the winning touchdown late in the third quarter after the Bruins had made three first downs in a march from midfield to the Ouachita one-yard line. Walker also added the point after touchdown with a kick from placement.

The first quarter was a battle of defenses and a punting duel between Clayton Brown, Ouachita half, and Lloyd Bell, Bolton halfback, Brown getting a shade the better in the exchanges. The Bolton offensive never got into Ouachita territory beyond the 50-yard line, while the Lions' deepest offensive thrust was to the Bruin 36 as the quarter ended. Neither team made a first down in the period.

Ouachita's best scoring chance developed and failed early in the second quarter. With the ball on Bolton's 36 as the quarter got under way, "Cotton" Hall got four yards at left tackle and a pass, Brown to Mitchell Funderburk, made it a first down on the Bolton 23. Brown crashed through right guard for 10 more yards and a first on the Bear 13. James Hewitt was held for no gain on a line play and Brown got one at right tackle. A pass fell incomplete on the playing field and another aerial, Brown to Don Fields, went incomplete into the end zone on fourth down, thus ending the Lion threat.

Bolton took possession on the Bears' 20 but Bell was soon forced to kick when three plays failed to gain. The remainder of the period was similar to the first quarter, a punting duel between Brown and Bell with the Bears' offense still bottled up in its own territory.

The [illegible] first downs 2 to 0, and [illegible] penetration [illegible] for the Bears.

The Bears came back strong in the third quarter, packing just about all their power into one full-blown drive, their only scoring threat of the afternoon. Taking a Brown punt [illegible] Bell returned the ball to the Ouachita 47, taking the Bear offensive into Ouachita territory for the first time.

A [illegible] Cotton Hendrix [illegible] yards. A pass by Charles Grow [illegible] was slapped by a Ouachita back into the arms of Joe Drouet, strong Bear center, who was dragged down on the Ouachita 45. Walker crashed through the line for a first on the local 35. A pass fell incomplete, but Walker stepped through left guard for eight yards and then hit the middle for another first on the 22. Bell got five at left tackle and then hit right guard for another first on the Lion nine. Walker got three through the middle and Bell ripped through right tackle to the Lion one. Walker barely cleared the goal line to score through the middle. Walker kicked from placement for the point after touchdown. The quarter ended a couple of plays later with Bolton out in front in score and leading, 4 to 2, in first downs.

Ouachita threatened again in the last quarter, getting three more first downs and moving as deep as the Bolton 14 before a pass interception by Drouet ended the Lion offensive. Bolton got two more first downs in the last period but the Bears' offensive never got deeper than the Lion 33.

Lineups and summary.

Bolton	Pos.	Ouachita
A. Davis	LE	Funderburk
Fester	LT	Moses
Cooley	LG	Edgar
Drouet	C	Eason
Joseph	RG	Haynes
Armstrong	RT	McInnis
McFarland	RE	Sievers
Carnon	QB	Gregg
Bell	LH	Hall
Gremillion	RH	Brown
Walker	FB	Hewitt

Bolton	0	0	7	0—7
Ouachita	0	0	0	0—0

Scoring touchdown: Bolton—Walker. Point after touchdown: Bolton—Walker.

First downs: Bolton—six; Ouachita—five.

Penalties: Bolton—55 yards; Ouachita—15 yards.

Passes: Bolton—one complete, one incomplete; Ouachita—three complete, nine incomplete, one intercepted.

Substitutes: Bolton—McSwain, Hendrix, Hay, Hiedman and Stracener; Ouachita—Fields, Kimball, Pace, Doss, Griffith, Guess, Pate.

Officials: Hal Willis (Louisiana Tech), referee; Gus Whalen (Boston college), umpire; Buck Brown (L. S. U.), head linesman, and Willie Ward (Louisiana Normal), field judge.

TROJANS, VOLS IN TOP ATTACK

Two Rose Bowl Candidates Lead Nation's Major Teams Offensively

SEATTLE, Nov. 24—(AP)—Three football teams in the running for New Year's day bowl honors dominated this week's gridiron performance statistics.

Figures compiled by the American football statistical bureau showed that Tennessee and Southern California, often mentioned as probable Rose Bowl opponents, ranked one-two as the nation's teams with the best offensive wallop.

Texas A. and M., which this week led the Associated Press poll as the country's top team, again ranked first as the best defensive club. The Texas Aggies also were considered prime bowl material.

The Associated Press poll placed the Aggies first, Tennessee second, Cornell third and U. S. C. fourth. Of the quartet, only Cornell failed to rate high statistically. The Ithacans were seventh in total offense, eighth in rushing offense and did not figure among top defensive clubs. Tulane was near the top in both offensive and defensive ratings and in punting.

Tennessee went into first place as a total offense threat mainly through its ground gaining, while U. S. C., first last week, and also idle, held second because of the phenomenal Trojan passing game.

The Volunteers averaged 366.3 yards per game by both rushing and passing, and 314.7 on rushing alone. Southern California averaged 335.5 yards per game passing and rushing, and the Trojans lead in percentage of pass completions, .508. They've also had the fewest number of their passes intercepted—four.

Other total offense leaders—gains rushing, and passing—and their average gain per game were as follows:

Ohio State, 320.4; Creighton, 318.9; Boston college, 312.4; Mississippi, 306.6; Cornell, 300; Wake Forest, 297.9; Brown, 292.9; Clemson, 284.8.

Texas A. and M.'s great line held the opposition to an average of only 82.9 yards per game via both passing and rushing. Their foes made 42.3 yards per game on the ground and 40.6 in the air.

Other total defensive leaders were Boston college, 102.4; Florida, Xavier, U. S. C., Holy Cross, Carnegie Tech, Penn State, Tulane and Bucknell.

FIGHTS LAST NIGHT

LITTLE ROCK, Ark.—Maxie Doyle, 193, Charlotte, N. C., outpointed Jimmy Merritt, 220, Tulsa, Okla. (10).

Parelli Unmasks Shadow In Wrestling Main Event

However, Loser Refuses To Reveal Name; Ludwig And Burns Draw

Unchanged by an absence of three months, the gesticulating, pleading-for-mercy Wrestling Shadow returned to the Monroe Wrestling arena last night to go down in defeat before Joe Parelli in a rough final event match.

The Shadow, although he went through with his agreement to unmask in case of defeat, might as well have kept his scarlet hood, for no one knew him. The Shadow removed his mask and all but a few strips of the protective tape underneath, but he refused to tell his name. Promoter Gus Kallio said that he did not know the masked matman's name—so the Shadow is still the Shadow to Monroe fans insofar as all practical purposes are concerned.

Parelli subdued his opponent in a total wrestling time of 27 minutes and 30 seconds, taking the second and third falls after the Shadow had roughed his way to a win in the opener.

The Shadow won the first fall in 20 minutes. Parelli came back to take a lightning-fast second go in one minute and thirty seconds with a Japanese crab hold and climaxed the match in the third fall in six minutes.

As was the case last week, the semi-finalists stole the show from the heavies. Otto Ludwig and Cyclone Burns wrestled to a draw in the semi-final. The 45-minute time limit caught the pair with neither having a fall to his credit.

The match was a fast affair throughout, Ludwig keeping up the speedy pace toward the end despite a cut over his left eye that bled freely. Ludwig was in trouble at times during the match as Cyclone applied hammer locks, the same method which Carlos Ramos used here last week in defeating the German.

Ludwig has been at his best in his two appearances here with junior light-heavyweight men and apparently takes to the faster going of the lighter division.

Ludwig has increased his popularity with local fans a great deal with his fine showings last night and last week, and last night he took first place in the voting to determine the most popular matman—next to Sailor Watkins—to appear in the local arena.

The prize in the contest is a trophy donated by the R. and A. Jewelry company of Monroe, and Ludwig must win the voting two more times in order to gain permanent possession of the trophy. However, he apparently will have stiff competition from Burns, who made a great hit with fans last night in his first appearance here. Three votes had to be taken last night before Ludwig was declared the winner over the Detroit, Mich., junior light-heavy.

Irish McGee of St. Louis, Mo., was the referee for the two matches. Before the program, a boxing free-for-all, with five boys of from 13 to 16 years of age taking part, was held. Under the rules of the contest, the five first engaged in a free-for-all with a knockdown eliminating a contestant. Joe Jacola and Stanley Kitchell were the two standing after the free-for-all, and they boxed to a draw in three one-half minute rounds. Others competing were Bobby Clark, J. D. Wall and Raymond Williams.

FAIR PARK TAKES NORTH AA CROWN

SHREVEPORT, La., Nov. 24—(AP)—Fair Park High school Indians of Shreveport qualified for the semi-finals in the state AA title race Thursday by defeating Byrd High school Yellow Jackets 3-0 at the State Fair Grounds stadium. A field goal by Ernest Davis, tackle, from the 23-yard stripe in the first period proved the deciding factor.

A Thanksgiving crowd of 12,000 fans watched the highly-touted Indian defense repulse every determined drive by the Jackets.

A 51-yard return of an intercepted pass by Captain Forrest Sharpe in the second period carried to the Tribe's 14, but the Byrdmen bogged down.

ARKANSAS TEAM BEATS CENTER BY 27-0 SCORE

Fowler Scores Three Times; Tribe Makes Threat In Third Quarter

RUSSELLVILLE, Ark., Nov. 24.—(AP)—Aubrey Fowler, freshman halfback from Dumas, put on a one-man show Thursday to lead the Arkansas Tech Wonder Boys to a 27-to-0 victory over Northeast Center of Louisiana State university.

Scoring three of Tech's four touchdowns, he tossed a pass to Morelock, an end, for the other and added one of the extra points from placement.

The Wonder Boys scored soon after the opening kickoff when Fowler, on a fake spinner, went over from the eight-yard stripe. Taylor booted the extra point.

Fowler passed to Morelock from the Louisiana seven in the third quarter and Taylor again converted.

In the final period Fowler chalked up two more on dashes of 55 and 60 yards, respectively.

Louisiana opened up with passes in the third quarter to drive to Tech's 19 for their only scoring threat, but the march ended there and Tech took over.

Tech missed one scoring chance in the second period when Miller was downed for a 12-yard loss as he faded back to pass after the Wonder Boys had reached the Louisiana 20.

For the visitors, Macon, Younce, center, and Evans, tackle, were the mainstays in the line. Wroter, Short and Hutchins played good ball in the backfield.

Lineups and summary:

N. E. C.	Pos.	Tech
Macon	LE	Morelock
Smith	LT	Bynum
Miholic	LG	Peters
Younse	C	Satterfield
Westernman	RG	Taylor
Evans	RT	Rasbury
Westbrook	RE	Gault
Hutchins	QB	Beeson
Flackwell	LH	Fowler
Bryson	RH	Salmon
Singleton	FB	Johnson

Score by periods:

N. E. C.	0	0	0	0—0
Tech	7	0	7	13—27

Tech scoring: Touchdowns, Fowler 3, Morelock. Points from try after touchdowns, Taylor 2, Fowler (all placements).

Officials: Referee, Alvin Bell (Vanderbilt); umpire, Pryor Evans (Arkansas college); head linesman, Garland Beavers (Arkansas university); field judge, Stitts Hays (Arkansas university).

LOYOLA WINS, 7-0

NEW ORLEANS, Nov. 24.—(AP)—Loyola of the South Thursday came from behind to take the lead at the half and win their football game, 13 to 7, from Springhill college of Mobile. It was their 15th annual meeting. A homecoming day crowd of 6,000 attended.

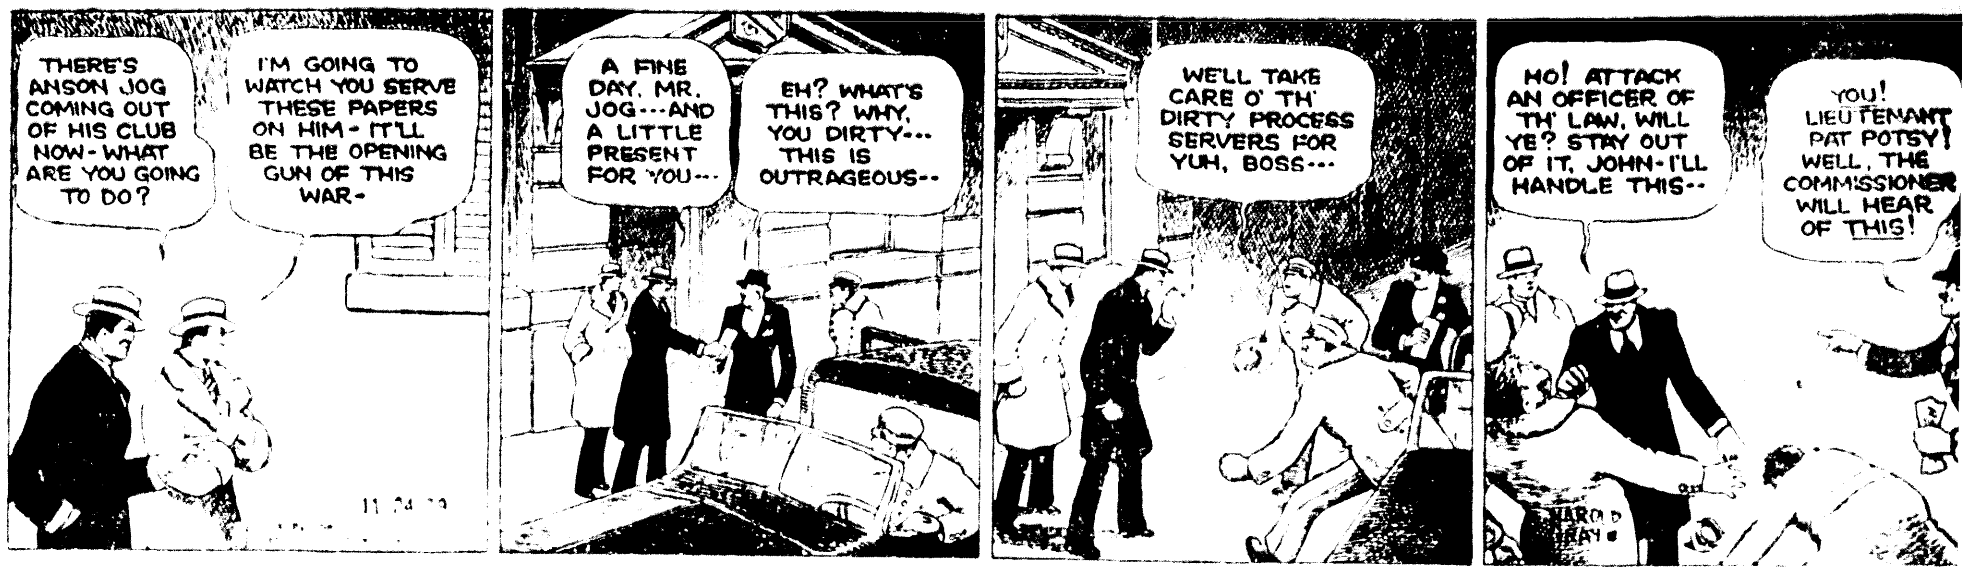
COPPER-RIVETED SUBPOENA

By Harold Gra

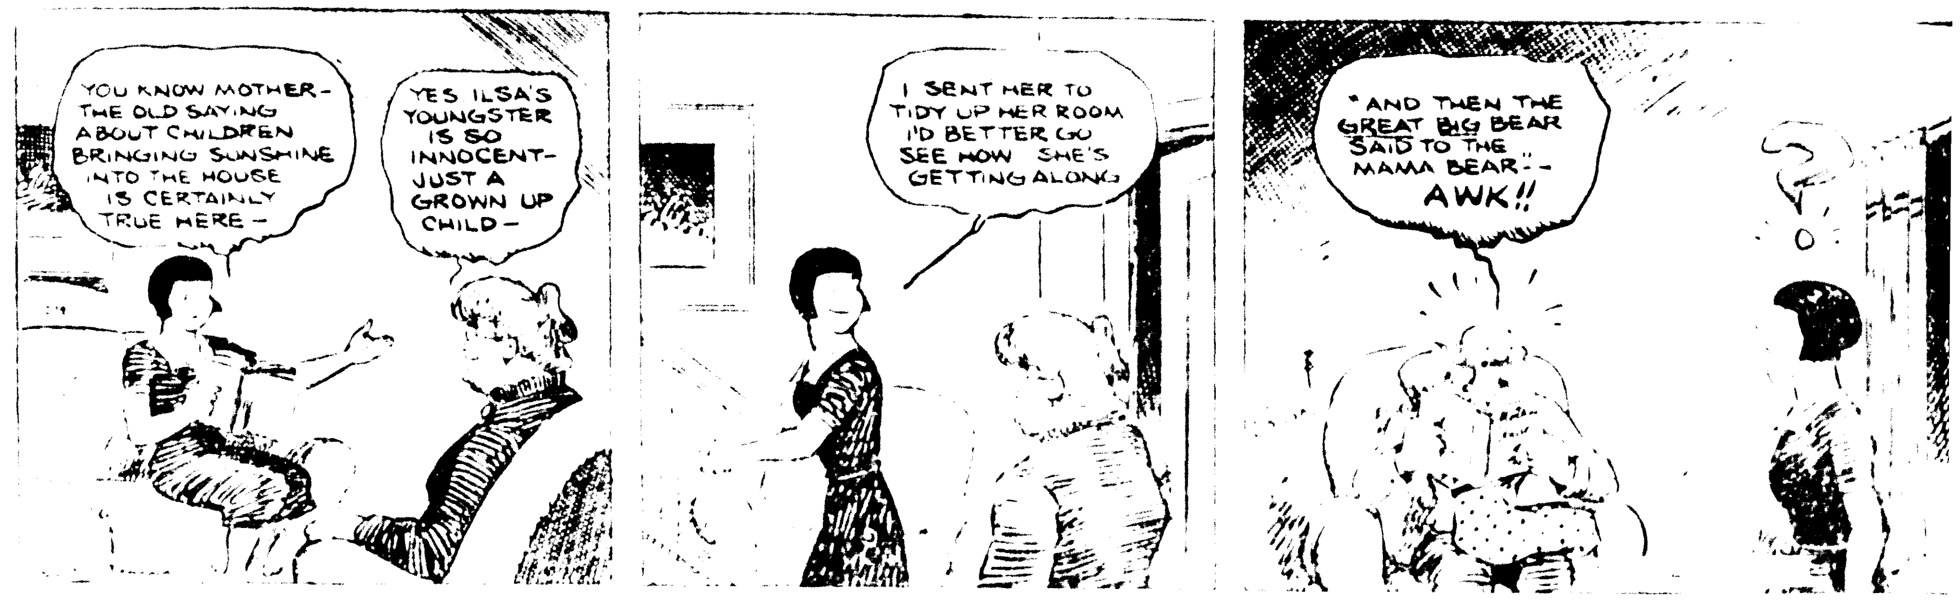


THERE'S ANSON JOG COMING OUT OF HIS CLUB NOW- WHAT ARE YOU GOING TO DO?
I'M GOING TO WATCH YOU SERVE THESE PAPERS ON HIM- IT'LL BE THE OPENING GUN OF THIS WAR-
11-24-39
A FINE DAY, MR. JOG---AND A LITTLE PRESENT FOR YOU---
EH? WHAT'S THIS? WHY, YOU DIRTY--- THIS IS OUTRAGEOUS--
WE'LL TAKE CARE O' TH' DIRTY PROCESS SERVERS FOR YUH, BOSS---
HO! ATTACK AN OFFICER OF TH' LAW, WILL YE? STAY OUT OF IT, JOHN- I'LL HANDLE THIS--
YOU! LIEUTENANT PAT POTSY! WELL, THE COMMISSIONER WILL HEAR OF THIS!
HAROLD GRAY

THE GUMPS

WHO'S BEEN SITTING ON MY LAP?

By Gus Edson



YOU KNOW MOTHER- THE OLD SAYING ABOUT CHILDREN BRINGING SUNSHINE INTO THE HOUSE IS CERTAINLY TRUE HERE-
YES ILSA'S YOUNGSTER IS SO INNOCENT- JUST A GROWN UP CHILD-
I SENT HER TO TIDY UP HER ROOM I'D BETTER GO SEE HOW SHE'S GETTING ALONG
"AND THEN THE GREAT BIG BEAR SAID TO THE MAMA BEAR"-- AWK!!

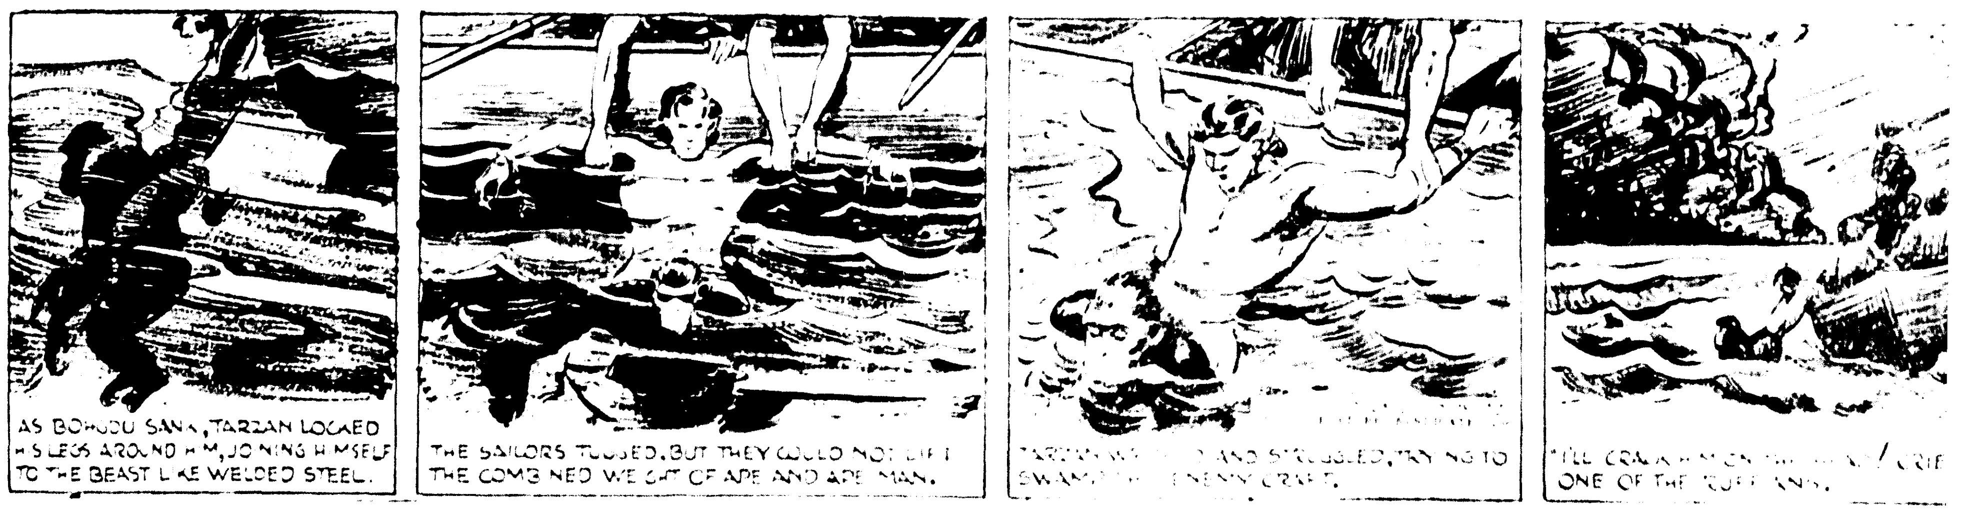
TARZAN

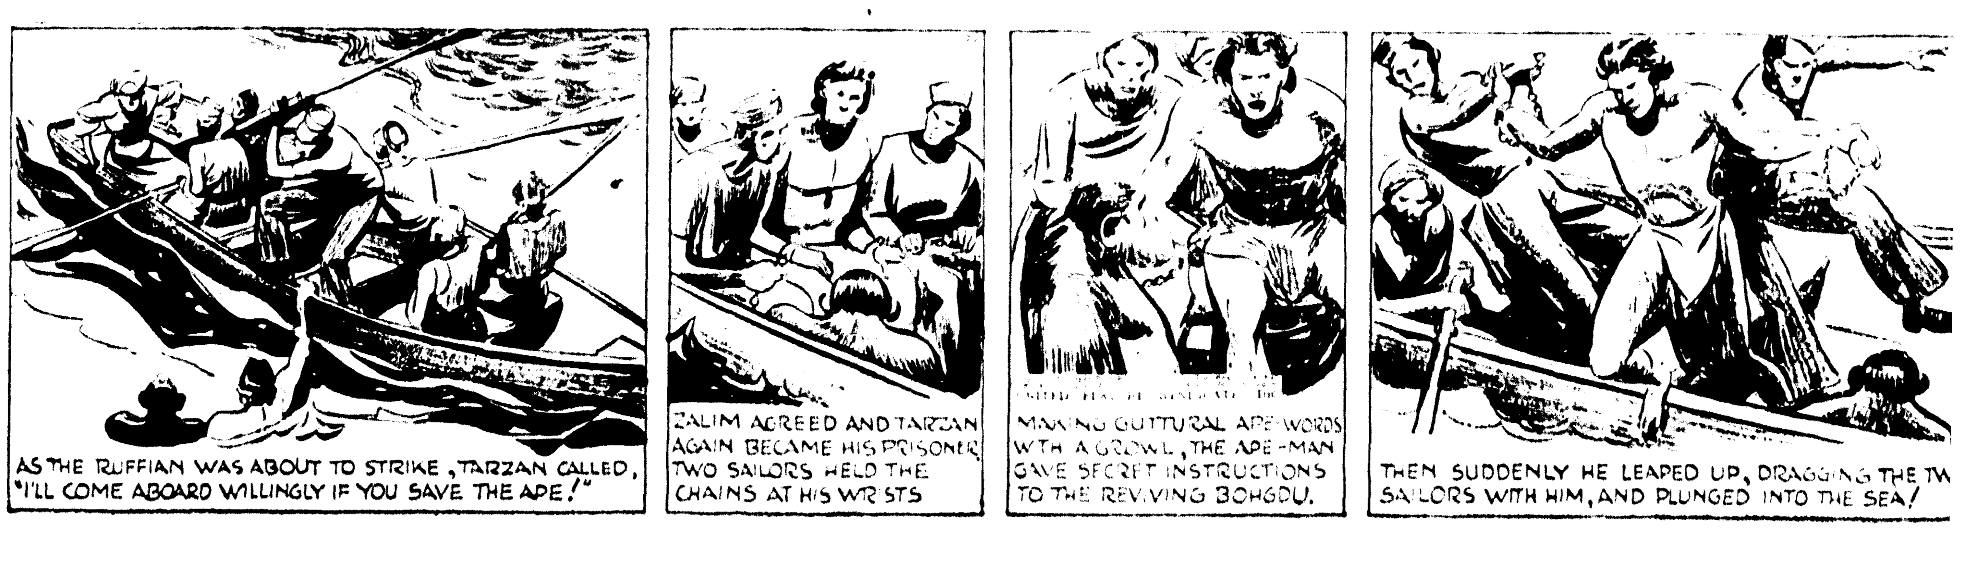
SEA STRUGGLE

By Edgar Rice Burrough



AS BOHGDU SANK, TARZAN LOCKED HIS LEGS AROUND HIM, JOINING HIMSELF TO THE BEAST LIKE WELDED STEEL.
THE SAILORS TUGGED, BUT THEY COULD NOT LIFT THE COMBINED WEIGHT OF APE AND APE-MAN.
TARZAN [illegible] AND STRUGGLED, TRYING TO SWAMP THE ENEMY CRAFT.
"I'LL CRACK HIM ON THE [illegible]!" CRIE ONE OF THE RUFFIANS.

A WILD LEAP



AS THE RUFFIAN WAS ABOUT TO STRIKE, TARZAN CALLED, "I'LL COME ABOARD WILLINGLY IF YOU SAVE THE APE!"
ZALIM AGREED AND TARZAN AGAIN BECAME HIS PRISONER. TWO SAILORS HELD THE CHAINS AT HIS WRISTS
MAKING GUTTURAL APE-WORDS WITH A GROWL, THE APE-MAN GAVE SECRET INSTRUCTIONS TO THE REVIVING BOHGDU.
THEN SUDDENLY HE LEAPED UP, DRAGGING THE TW SAILORS WITH HIM, AND PLUNGED INTO THE SEA!

MARKETS

COTTON

New Orleans

NEW ORLEANS, Nov. 24—(AP)—Increased trade buying in the final hour today rallied cotton futures from early declines and final quotations were steady at net gains of 4 to 5 points.

	Open	High	Low	Close	
Dec.	9.74	9.80	9.64	9.79	up 4

SPOT COTTON

NEW ORLEANS, Nov. 24—(AP)—Spot cotton closed steady 5 points higher. Sales 4,1[illegible]; low middling 8.72; middling 9.82; good middling 10.17; receipts none; stock 671,884.

New York

NEW YORK, Nov. 24—(AP)—Cotton futures d[illegible]sed reactionary tendencies in moderately active trading today. Declines in Bombay and Liverpool markets over the holiday encouraged cons[illegible] foreign, New Orleans and local selling.

Prices gave ground slowly and grudgingly, however.

In late afternoon trading the market was 9 to 13 lower. December 9.[illegible], March 9.37.

Futures closed 9 [illegible]gher to 3 lower.

	Open	High	Low	Last	
Dec	9.6[illegible]	9.7[illegible]	[illegible]	9.73-75	up 5

MARKETS AT A GLANCE

NEW YORK, Nov. 24.—(AP)—Stocks—Heavy; tax scare hits list. Bonds depressed; industrials, utilities slip. Foreign exchange steady; sterling improves. Cotton lower; foreign and New Orleans selling. Sugar firm; Cuban duty reduction anticipated. Metals steady; spot tin continues to strengthen. Wool tops easy; Boston and spot house selling.

CHICAGO: Wheat part of loss regained. Corn steady. Cattle steady to strong. Hogs steady to strong; spots 5-10 up.

NEW YORK STOCKS

NEW YORK, Nov. 24—(AP)—The stock market made faint passes at recovery in today's market but generally failed to accomplish much.

Small fractional advances predominated in slow early dealings, but these were erased in many cases later and, near the fourth hour, quotations were well mixed. Some losses ran to 2 points, but the majority of gains and reversals were minor. Chrysler was a weak spot.

Wall Street came back from its holiday more inclined to "talk turkey" literally than to take any long chances on either side of the speculative fence.

Some customers added light commitments in issues here and there that were buoyed by boosted dividends and bright earnings statements. The tendency, though, was to ignore the continued flow of good business and industrial news and try to find the answer to "What is the matter with the market?" The European war again was a negligible factor.

Bonds and commodities emulated stocks to a greater or lesser degree. Foreign securities markets were [illegible] steady.

M[illegible] were [illegible] through[illegible] Chrysler labor dispute the principal handicap.

A [illegible] than seasonal [illegible] in [illegible] week's freight loadings added [illegible]

By Victor Eubank

NEW YORK, Nov. 24—(AP)—The stock market ran into a tax scare to[illegible] after an early [illegible] attempt at [illegible] and a lot of leaders tumbled [illegible] 4 points at the worst.

[illegible]

There were [illegible] performance of stocks brought out a batch of offerings which resulted in a quick backslide of steels, motors and aircrafts. Other groups were far less unsettled and mostly kept reversals to fractions.

In the selloff shortly after noon the ticker tape was never pressed. Dealings soon returned to their crawling pace and at the close, extreme declines were reduced in many instances. In addition, a sprinkling of modest gains was in evidence for [illegible] by [illegible] and bright earnings statements.

Transfers were in the neighborhood of [illegible] shares.

CHICAGO GRAIN

CHICAGO, Nov. 24—(AP)—The wheat market had an upturn tendency early today but buying was limited.

The naval warfare attracted some attention and reduced crop prospects in Argentina along with continued dry weather in the domestic southwest were supplemental bullish factors.

Opening 1-4 lower to 1-4 higher, December 88 1-4 to 3-8, May 86-86 1-4, wheat later rose all around. Corn started 1-8 off to 1-4 up, December 50 1-4 to 3-8, May 52 5-8.

Wheat closed 1-8 to 1-2 lower than Wednesday, Dec 88 1-4, May 85 3-4 to 7-8; corn 1-8 off to 1-8 up, Dec 50 1-4 to 3-8, May 52 3-8 to 1-2; oats 1-8 off to 3-8 higher.

WINTER OLYMPIC GAMES CANCELLED

BERLIN, Nov. 24—(AP)—Cancellation of the winter Olympic games, scheduled for Garmisch Partenkirchen, was announced today by Hans von Tschammer Osten, Reich sports leader.

The German Olympic committee and the organization committee for the games took the action in view of a resolution of the international Olympic committee that a belligerent country cannot hold the games. Previously Japan had given up both the summer and winter games.

The statement said that "because Germany's proposals for bringing about world peace were declined by the English and French governments and therefore the war must be continued, Germany returns the commission to conduct the games to the international Olympic committee."

Construction work on the new artificial ice rink, the bath and swimming house and ski stadium was nearing completion.

MORE AID TO FARMER ASKED

National Grange Says Government Should Continue Payments

PEORIA, Ill., Nov. 24—(AP)—Continued federal aid to farmers pending the establishment of a permanent agricultural program was demanded today by the National Grange at the final session of its 71st annual convention.

Delegates representing 800,000 grange members adopted a committee report which held that federal benefit payments were justifiable until agriculture is accorded a bigger share of the national income.

The report demanded adjustments in taxes, interest charges, wage [illegible] and transportation rates to equalize existing inequalities for agriculture and proposed both an emergency and a long time farm program.

[illegible]

manding that agriculture be given representation on boards, bureaus and commissions established under the industrial mobilization plan. The measure contended agriculture had no voice in the creation of the plan.

NO MOTIVE FOUND IN DEATH OF TWO

LONDON, Nov. 24—(AP)—Investigators failed today to discover any motive for the shotgun death of Sir William Reid, former acting governor of Assam province, India, and Lady Reid.

The bodies were found yesterday near Sir William's rural home near Portsmouth, where the couple had lived almost wholly to themselves for the past 12 years. Both had died of shotgun wounds. They had been missing since going for a walk Tuesday evening. Sir William was 68 years old and Lady Reid was 61.

PORT SUFFERS AS PRIVATE VENTURES GAIN, SAYS LONG

Makes Charges Against Dock Board President in Official Statement

POLITICS BEHIND MOVE, IS REPLY OF BUTLER

Governor and Former Appointee Contribute to Heat of Dispute

(By Associated Press)

NEW ORLEANS, Oct. 19.—With the refusal of Edward S. Butler to resign as president of the dock board as requested by Governor Huey P. Long, the chief executive tonight issued a statement attacking the efficiency of the Butler administration, declaring that the business of the board's cotton warehouse at New Orleans had lost ground while the private cotton houses with which Mr. Butler admitted connection in Texas have flourished.

In seeking the resignation of the head of the board, Governor Long declared that Mr. Butler's interests in Texas furnished competition with the public body in New Orleans and that New Orleans' port would fade away as a competitor with other gulf ports in export business unless the Butler regime were ended.

Mr. Butler replied in his rejection of the demand that the reasons assigned for his removal by the governor were [illegible] a [illegible] charge that the real [illegible] behind the proposed [illegible] was a desire of [illegible] the board.

The [illegible] of Governor Long failing to hit its mark by Mr. Butler's refusal to accede to his demand, left

Attorney Says He Will Undergo Two Hours of Direct Examination

TO CLAIM BLACKMAIL PLOT

Witness Biffle's Story of Being Served with Subpoena is Directly Challenged

(By Associated Press)

LOS ANGELES, Oct. 19.—Alexander Pantages will take the witness stand in his own defense Monday at the resumption of his trial on a charge of assaulting Eunice Pringle, 17-year-old dancer, attorneys for the theatrical magnate announced today.

He said the defendant, who contends the accusation against him is the outgrowth of a blackmail attempt, would undergo two hours of direct examination. District Attorney Buron Fitts said he expected the case to reach the jury some time next week. He intends to conduct the cross-examination of Pantages.

Charls Clary, coffee salesman, whose interest in the case has puzzled authorities, appeared voluntarily today at the office of the district attorney and offered an explanation of his

Watch It Grow

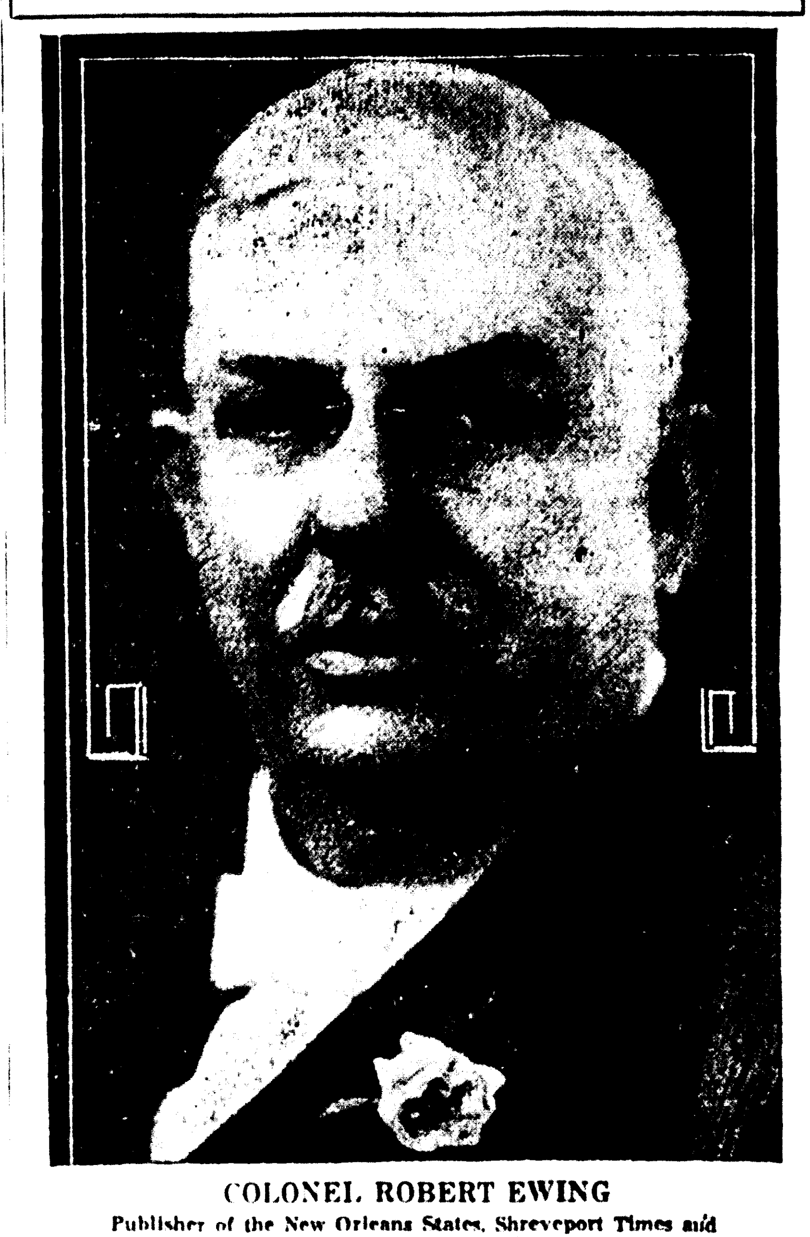
R. H. Morgan has sold to J. H. Edwards pine timber on 160 acres of land located as follows: On northeast one-fourth of section 21, township 19 north, range 5 east. The consideration was $1,000.

K. J. Jones has leased from J. C. Steele a brick building at 104 Adams street, Monroe, for one year.

C. B. Harrington yesterday deeded to the Natural Gas Company, Inc., a parcel of land in block 2 of Layton's second addition to the city of Monroe. The property is 100 feet by 135 feet deep and faces on Stone avenue. The property sold for $250.

The Natural Gas Company, Inc., has bought from C. C. Bell lot number 12 in square number 34 of Steele and Madden's addition to West Monroe. Fifty dollars was paid for the lot.

PUBLISHER AND CIVIC LEADER



COLONEL ROBERT EWING
Publisher of the New Orleans States, Shreveport Times and Monroe Morning World

Mayor Bernstein's Message

CITY OF MONROE
COMMISSION GOVERNMENT
MONROE, LA.

Arnold Bernstein
Mayor

October 19th, 1929.

Monroe Morning World,
Monroe, Louisiana.

Gentlemen:

I understand that the appearance of the first number of the Monroe Morning World is near at hand; and I embrace the occasion to express the sincere wish that your Monroe enterprise may enjoy a long and prosperous career.

My faith in the continued development of Monroe, along substantial and lasting lines, is unbounded. And I am very happy to believe that the Monroe Morning World will share generously in the profits of this material growth.

I have enjoyed for a number of years a warm friendship with Colonel Robert Ewing, President and Publisher of the World, for whose ability as a newspaper executive and public leader I entertain high regard. And I have long known well and favorably two of his close associates in his Monroe undertaking, Captain John D. Ewing, Associate Publisher, and Thomas O. Harris, Manager of the Monroe Morning World.

I welcome these gentlemen to the business and professional life of Monroe. And I welcome the Monroe Morning World because I believe it will wield a large influence in shaping the progress and prosperity of this city and section. The influence a well-conducted newspaper wields in a growing community is gigantic and I believe that the Morning World will mean quite as much to Monroe as Monroe will mean to it. The business investment you have made in Monroe's future is a large one and I congratulate you on your discriminating judgment in selecting this city as the site of your promising newspaper venture.

Yours sincerely,
ARNOLD BERNSTEIN,
Mayor.

Route of New Southwestern Air Mail Line to be Decided in Little While

By Bascom N. Timmons
(Special to Monroe Morning World)

WASHINGTON, D. C., Oct. 12.—A final determination of the route to be taken by the proposed new Southwestern air-mail line was in view today, as Assistant Postmaster General W. Irving Glover, in charge of the air mail service, announced that the interdepartmental committee on airways will hold a joint hearing of all those interested at the post office department in this city on Nov. 25.

Three proposals are before the committee. One route would extend from St Louis via. Tulsa, Fort Worth and Dallas to Los Angeles. Another proposal would run the line from Atlanta through Shreveport, Birmingham, Fort Worth, Dallas and thence to Los Angeles. The third, the most Southern route of the three, would extend a line from New Orleans via. Houston, San Antonio, El Paso and San Diego to Los Angeles.

At various times during the past few months, advocates of the three routes have been heard before the committee.

At no time, however, were the advantages as well as disadvantages of the trio of proposals laid before

AMERICAN BAR TO BE CANVASSED ON JOHN BARLEYCORN

Memphis Meeting Is Likely to Hear Early Rumblings of Gathering Storm

LOCAL ASSOCIATIONS TO BE ASKED TO CAST VOTE

Voluntary Committee Will Try to Get Prohi Expressions from Many States

MEMPHIS, Oct. 19.—(AP)—The Evening Appeal said today that the wet wing of the American Bar Association, looking to repeal of the Volstead Act, would attend the annual convention here in large numbers," stating that arrival here of New York men, identified with the nation-wide movement of the Voluntary Committee of Lawyers, Inc., made that conclusion obvious.

The newspaper quoted its informant as saying, "while it seems to be consensus that it is not wise to attempt to put to a vote next week a resolution advocating repeal of the Eighteenth Amendment, the meeting of the association will nevertheless offer an unusual opportunity for the leaders of the movement to confer and to lay ground for future action."

The name of John Giraud Agar, New York lawyer and a life member of the Bar Association, heads the advisory board of the Voluntary Committee of Lawyers, Inc., whose aim "is to renew consecration to our political ideals, to renew allegiance and obedience to our constitution, to renew patriotism to our country, to renew efforts in carrying out

BANK HEAD FOUND GUILTY BY JURY

J. B. Lassiter Faces Term in Penitentiary for Irregularities

(By Associated Press)

BIRMINGHAM, Ala., Oct. 19.—J. B. Lassiter, former president of the defunct Avondale Bank and Savings company, and the City Bank and Trust company, faces a four to five-year term in the state penitentiary following his conviction today by a jury in criminal court on a charge of accepting a deposit in a bank he knew to be insolvent.

Defense counsel gave notice of an appeal to the Alabama Court of Appeals for a new trial and Lassiter was released under bond of $2,000 pending action of the higher court.

A motion by the defense to "arrest judgment" in the case, charging that the verdict had not specified whether the defendant was found guilty of a felony or misdemeanor was overruled by Judge H. P. Heflin, who passed sentence.

The trial of Lassiter on eight other

FIVE POINTS AREA WILL BE WIDENED

Illinois Central Gives City Right to Cut Corners for Traffic Relief

Through the co-operation of the Illinois Central railroad and the city, the congested traffic area at the Five Points on DeSiard street is to be relieved, according to announcement of plans made by Mayor Arnold Bernstein yesterday.

This point has for years been one of the most crowded traffic thoroughfares in the city. The steady increase in the number of automobiles and the anticipated additional tax on the area by the construction of the new Illinois Central station has made necessary an elimination of street corners on property owned by the railroad. Illinois Central officials have offered the city the use of some of its property in order to affect the improvement.

The corners of the west and east ends of Sixth street will be removed and paved, thereby adding 245 square feet to the Five Point inter-

(Continued on Twelfth Page)

The World

THE MONROE MORNING WORLD today presents its first issue to the people of Monroe and vicinity. There is a special significance in that event. The advent of The Morning World marks, we trust, the creation of another strong factor in the development of Monroe. And we cherish the natural hope that the paper may share proportionately in the distribution of the fruits of this development.

The Morning World is a seed planted in fertile soil and its owners expect it to burgeon and ripen with the promised harvest. From this day forward it becomes part of the social, commercial, industrial and political life of this section.

More than any other business enterprise, perhaps, a newspaper is peculiarly identified with the community in which it is published. It is an integral part of the concrete whole. So true is this, indeed, that cities everywhere are judged by their newspapers, just as educational institutions are judged by their graduates. If the pupil exhibits intellectual graces or the newspaper reflects substantial prosperity, public judgment assigns to the school or newspaper a forward place in the scale of progress.

We may look, therefore, for The Morning World to develop with Monroe. The attractive future of the city creates an attractive future for the newspaper. The prosperity of the one will spell the prosperity of the other. Monroe and The Morning World will walk hand in hand from this time forth. They are members of an intangible brotherhood.

Publishers of The Monroe Morning World felt some months ago that they saw in Monroe an attractive field for newspaper investment. The city's highly advantageous geographical position, its adjacence to the largest known natural gas field in the world, its favorable transportation rates arising from deep water facilities, its equable climate, its vast agricultural wealth and the splendid spirit of its citizens constituted, in our opinion, an irresistible invitation to newspaper capital.

And, so, The World is published in Monroe because its owners believe in Monroe. Just as it had sold itself to many of the other business and industrial enterprises that had found a permanent home here, Monroe sold itself absolutely to the owners of this newspaper. Their investment is large and their confidence great. The splendid future of the city justifies both.

So much for the business aspect of The World's entrance into the newspaper life of Monroe and vicinity.

* * * *

IT IS CUSTOMARY in inaugural editorials to make some precise declarations of policy. The World, however, has little to say on that score. It is the desire of the publishers to let the character and the influence of their newspapers published elsewhere in the state speak for them. Briefly, it may be stated that it shall be the policy of The Morning World to advocate and fight vigorously for everything calculated to beneficially affect Monroe and its trade territory. It shall work undeviatingly for a greater Monroe; its aid will be given to every movement intended to increase the prosperity and happiness of the people.

The owners of The Morning World will publish a clean, modern, newsy paper—one that may readily find favor in the home and business office. We have had the good fortune to secure exclusively for our readers the morning newspaper membership for Monroe. of The Associated Press, universally acknowledged to be the greatest news-gathering and news-distributing organization in the world. In addition, The World has a well-organized staff of newspaper writers and has purchased the leading newspaper features of the best American producers. In short, The World will be an up-to-date newspaper and solicits patronage strictly on that basis.

Just one more reference before closing. The excellence of its news columns is not the only hallmark of a good newspaper. To be serviceable to those who lean upon it, a newspaper must have the courage of its convictions and a willingness to fight for its principles. It must counsel and guide, aid and encourage those who look to it for leadership. It must champion worthy public causes and wage unremitting war on public abuses.

In this particular, The Monroe Morning World will not be found wanting. It will constantly strive to exert a helpful influence as a leader of public thought in this community.

The Monroe Morning World bids you good morning. It hopes and believes that its stay among you will be mutually profitable and pleasant.

Jury Acquits Four Accused In Communist Kidnaping Case

(By Associated Press)

CONCORD, N. C., Oct. 19.—After 45 minutes deliberation, a Cabarrus county jury this afternoon acquitted the four on trial here on charges growing out of the kidnaping and flogging of Ben Wells, British communist textile organizer.

The jury reached its decision on the fifth ballot and reported to Judge A. M. Stack, that O. G. Moorehead, Carl Holloway, Dewey Carver and Horrace Lane, all of Gastonia, were not guilty of taking Wells and two

War Department Wants Two-Year Test of River Traffic Below Alexandria

IF RESULTS PROVE O. K. WORK TO BE PERMANENT

Bayou des Glaizes, in Avoyelles, to Receive Federal Aid to Prevent Overflow

By Bascom N. Timmons
(Special to Monroe Morning World)

WASHINGTON, D. C., Oct. 19.—Dredging on the lower Red river in Louisiana as far as Alexandria will reach a point within 60 days to insure navigation throughout the year, and dredging by the War Department will be continued at intervals to keep the river open to commerce for at least two more years, it was definitely stated here Saturday.

In a conference between Major General Lytle Brown, chief of army engineers, and Colonel Thomas M. Robbins, War Department engineer, in charge of the tributary work, and S. J. L. Pitts, Alexandria, chairman of the navigation committee of the Chamber of Commerce of that city, Gaston L. Porterie, Marksville, member of the state flood control committee, and Representative James B. Aswell, the general policy of the new chief in regards to navigation development work on the Red and other Mississippi tributaries was, to some extent revealed. General Brown intends to keep the lower Red open to navigation as far as Alexandria, even in low water periods during the next two years to ascertain to what degree the river will be utilized.

He made clear, if at that time he feels the commerce has been sufficient to justify further permanent improvement of the river, he will do so.

To what extent the lower Red is used for navigation purposes during the coming period may also determine the extent of improvement to be made on the upper river to Shreveport, he indicated.

In the meantime, General Brown intends to push the preliminary survey of the upper Red now in prog-

(Continued on Twelfth Page)

ANGERED WOMAN TURNS ON SLAYER

McGouldrick Is Indicted In Recent Mississippi River Murder Mystery

IONE ORD IS STAR WITNESS

Says McGouldrick Loved Her But Acted Like a Cad by Leaving City

(By Associated Press)

POINT A LA HACHE, La., Oct. 19.—John McGouldrick, second officer of the steamship Creole, was indicted late today by the Plaquemines parish grand jury for the murder of Jack Kraft, New York newspaper employee and adventurer. Ione Ord, companion of Kraft, and Sam Epstein, steamship steward, were ordered held as material witnesses without bail.

After hearing the evidence, the grand jury, composed of natives of the lower coast, deliberated only fifteen minutes before handing down the indictment.

District Attorney Leander Perez, of Plaquemines parish, requested a warrant charging McGouldrick with murder. Earlier he had telegraphed New York police to arrest McGouldrick when the New York-New Or-

(Continued on Twelfth Page)

SENATE APPROVES DEBENTURE PLAN

Measure Voted Third Time Despite President's Objection

(By Associated Press)

WASHINGTON, Oct. 19.—Despite President Hoover's emphatic objection to the export debenture plan of farm relief, the senate approved it today for the third time since the special session began and the bounty provision now rests in the tariff bill.

Twice the senate inserted the controversial proposal in the farm relief measure by a margin of three votes but receded in the face of an overwhelming ballot against it in the house. The victory today for the Democratic-Western Republican coalition was by a majority of eight—42 to 34.

Disposition of this amendment, sponsored by Senator Norris, Republican, Nebraska, put the senate in a position to begin consideration of the fifteen rate schedules early next week, the eighth to be devoted to the tariff by that body. Administration

WOMEN TO START Y.W.C.A. CAMPAIGN

Local Leaders of Movement to Ask $5,000 to Establish Branch Here

Plans are nearing completion for beginning a campaign to raise a fund of $5,000 to be used in establishing a branch of the Young Women's Christian Association in Monroe, according to anouncement made Saturday by Mrs. F. J. Fox, chairman of publicity in connection with the movement.

Committee chairmen have been appointed and headquarters established in the Ensel building at the corner of South Grand and DeSiard streets.

The formation of a "Y" organization in Monroe is being sponsored by the federation of missionary societies of the various churches of the city, Mrs. Jessie Sadler, prominent in church club work of the city, is one of the active workers in the movement.

At the request of the local leaders, Miss Gretta Smith, state secretary for the Southern district, as assigned by the national secretary to come to Monroe to take charge of the organization work.

Mrs. J. W. Corrington of the national finance department of the Y. W. C. A. is also in the city assisting

WAR PLANES FOR ENGLAND, FRANCE STARTED OVER SEA

LOS ANGELES, Nov. 25.—(AP)—War planes for England and France are being started overseas as fast as shipping arrangements can be made. A [illegible] ment of export licenses has held up the movement.

As part of a British order, four Lockheed bombers were scheduled to get away today aboard the British freighter, Columbia Star, from Long Beach.

The French ship Wisconsin, loading general cargo, was to take on 10 planes for France from North American Aviation corporation.

Seventeen more North American craft destined for France are awaiting shipment.

Twenty planes went out last week-end.

Seven states have no capital punishment.

ATTEMPT TO ROB BANK THWARTED

KANSAS CITY, Nov. 25.—(AP)—James E. Hensley, vice-president of the Produce Exchange bank pushed over a visitor's chair today to thwart an attempted robbery.

Hensley invited the man to sit down after he had asked to borrow money. The visitor, who had only one hand, began to open a suitcase. The banker bent down to help him.

At that moment, the caller thrust a revolver against Hensley's side. Disregarding the weapon, the banker pushed the caller's chair, upsetting it and the occupant. Hensley and a bank guard held the man until police arrived.

The man was booked as R. J. Hilson, 30, alias John Johnston of Minnesota. He refused to give his home address.

OCCUPATIONAL CHARLEY HORSE TALKED BY MEDIC

PITTSBURGH, Nov. 25.—(AP)—If you feel a letdown at the office between 10 and 11:30 a.m. and once or twice in the latter part of the day, Dr. Russell R. Jones says you might be suffering from an "occupational charley horse."

Over-activity without proper nutrition of the muscles causes a charley horse on the playing field and Industrial Medical Officer Jones thinks the same thing happens figuratively to industrial and office workers.

"They become over-trained, get stale—then accidents begin to happen and productivity slows up," he declared.

The remedy is rest or diversion which Dr. Jones says may subtract from the working day but results in more being accomplished before the quitting whistle.
